### \$329,134 Bill List Includes \$288,571 For Storm Sewers

A \$329,134 bill list, along with a \$51,037 half-month payroll and half-month sick leave payments amounting to \$2138 were approved Monday night by Granite City council members.

Major items on the bill list were payments from the sewer construction fund to S. M. Wilson & Co. for storm water sewer line construction. The total was \$288,571.

Also on the bill list were payments of \$14,967 to Midwest Distributors for the street department sewer maintenance section, \$16,160 to Milam East Corp. for garbage and trash collections during October, and \$2646 to Rockwell Mfg. Co. for automatic parking meters for the new downtown lot in the 1800 block of Edison avenue.

Thomas Skerle, contractor, was paid \$1068 for sidewalk installations in the 1800 block of 19th street. Clarence Whitford was paid \$661 for weed cutting during September.

### Payroll Separation

The half-month payroll was presented to the council by Alderman Fry, and Alderman Moerlen immediately called for a separation of the pay for sewage treatment employees, saying he had obtained information from a reliable source that the city could not increase the budget for the treatment plant to grant the double-increases to employees, since the sewage treatment fees were estimated for bond retirement as well as operating costs.

"You can change the budget only if there is an emergency," Moerlen cautioned.

However, after the council had approved the separated payroll, Fry called for payment of the treatment plant workers. The only "no" vote was by Moerlen.

Mayor Partney, who noted the sick leave payments had increased again, added that several policemen had been in the hospital in recent weeks.

Pay Increases

In other action, the council approved \$55-a-month increases for two part-time employees who have been a year operating the insect spraying machines. The \$55 increase was the same given to other city workers.

Lonzo Smith, business representative of Teamsters Local 525, appeared before the council Monday night and said two workers had been overlooked when the agreement was reached in August. The pay increases are retroactive to May 1, the start of the city's fiscal year.

### Mrs. Mae Eugenia, 70, Former Resident, Dies

Mrs. Mae Louise Eugenia, 70, of East St. Louis, a former Venice resident and sister of William R. Baker of Venice, died at 9:45 p.m. Tuesday in St. Mary's Hospital, East St. Louis, where she had been a patient for six weeks.

Mrs. Eugenia, who lived in Venice about 10 years, moving away in 1941, had been in failing health for one year. She resided at 802 North 32nd street, East St. Louis.

Survivors include her husband, Henry Eugenia, a son, Gerald Eugenia, Belleville, a daughter, Mrs. Joseph (Donna) Geomiller of East St. Louis; two brothers, William R. Baker of Venice and Lacy Baker of San Bernardino, Calif.; a sister, Mrs. Bertha Wright of East St. Louis, and two grandchildren.

Funeral arrangements are given in today's obituary column.

### Arrested for Fighting

Phillip Bauer, 30, of 1637 Sixth street, Madison, and Ted Valencia, 28, of 1212 Meridian avenue, were arrested by Madison police at 8 p.m. Monday on charges of fighting. Police said they arrested the two men at Tony and Joe's tavern, Third street and Madison avenue. Officers said Valencia resisted officers and force was necessary to take him to police headquarters. Valencia was taken to St. Elizabeth Hospital for treatment of a three-inch laceration to his head.

## Citizen Group Formed to Aid GC School Bond Issue Vote

A school bond tax referendum organizational meeting was held Monday evening at Coolidge junior high school to form a citizens publicity committee favoring the Dec. 7 election to be held in Granite City of Community Unit School District 5.

Barry Loman, vice-president at Granite City Trust & Savings Bank was selected as chairman. Others to serve on the committee are Gene Alassi, art consultant for the community schools; Howard E. Eberhart, First Granite City National Bank; William Harris, Seven-Up Bottling Co., and Robert Hildebrand, of the Granite City Trust & Savings Bank.

The committee will endeavor to raise funds for publicity to provide publicity information through the local news media, and to coordinate all publicity efforts with the newly formed Speakers Bureau.

## Groups Meet to Plan School Bond Vote Campaign

Representatives of PTA units, school principals, along with representatives of the American Federation of Teachers, Granite City Education Association and the Junior Chamber of Commerce met at Parkway school Monday evening to plan a campaign to support the bond issue and referendum for schools on Dec. 7.

The meeting was sponsored by the PTA Area Council of Granite City, with Mrs. Twila McKinney, president, in charge.

Mrs. McKinney introduced Dale Kea, assistant to the superintendent of schools, who outlined briefly the proposition to appear on the ballot Dec. 7, the proposed building program and area growth trends which have created this need.

Rea stressed that the propositions to be voted on and the building program, while strongly endorsed by the board of education and the school administration, were the recommendations of a citizens committee. Leo Konzen, a local attorney, and Jon Mullen, a teacher, were chairman of this committee which concluded an eight-month study of school district problems in September.

Rea urged a continued realistic community attitude toward the cost of educating children, pointing out that local children have been receiving an above average education at a cost substantially below state and national averages.

Plans were made for a massive campaign prior to the election to seek voter support and for a transportation pool to get voters to the polls on Dec. 7. Harry Lane of the AFT is to serve as chairman of the transportation pool and Mrs. McKinney will coordinate the work of the PTA units. Members of the Parkway PTA served as hostesses and provided refreshments for the meeting.

## Land Purchases for Future Park Expansion Under Study

Steps toward new land acquisitions by the Granite City park district to assure future park expansion before all available tracts are used for other purposes were discussed in a special park board meeting at the Wilson Park ice rink yesterday afternoon.

While no specific purchases have yet been proposed, park board officials explained that the meeting yesterday, and a similar session that will be held in about four or five weeks, were considered necessary to lay the groundwork for a land buying program under which the park district may follow park expansion recommendations outlined in the recent Granite City master plan of development prepared by the Southwestern Illinois Metropolitan Area Planning Commission.

In addition to Park Board Members William Kozak, Barry Luman and Milton Worthen, the meeting also was attended by David Morgan of the Granite City Housing Authority; Supt. B. J. Davis, representing the school district; Edwin Reiske, representing labor; Ray Kaegele, Ralph Morris and John Bloodworth, local realtors; Park District Attorney Randall Robertson; Park Board Secretary Frank Rea; Park Supt. Harold Brown; and E. E. Veihl Jr., Henry D. Karandjoff, C. E. Townsend and Carl Mathias, all members of the Citizens Steering Committee that backed passage of the ice rink bond issue two years ago.

**Outlines Buying Methods**  
Robertson outlined methods by which land can be acquired by the park district, noting that in the past such land has been purchased without need of bond issues by appropriating annual allotments and paying cash for park district ground. Land for Worthen Park and Beckman Park was obtained in this manner, he said.

Robertson said that in one case land was acquired under contract with annual payments spread out over several years at interest of 4%.

Object of the current planning is to obtain ground for future parks that might not be available if the park district waits until it is ready to build new parks before buying the land.

Karandjoff, a former park district officer, recalled that if part of the land for Wilson Park along Fehling road had not been acquired in advance of plans for its addition to the park, Wilson Park today would be about 35 acres smaller than it now is.

## Girl Scout Leaders Praised By Speaker at Banquet

The annual recognition dinner for Girl Scout leaders and their husbands from District IV of

River Bluffs Girl Scout Council was held Tuesday evening at the

Officers Club of the Granite City Army Depot with 90 persons in attendance.

Rev. Martin F. Hastings, S.J. Department of History, St. Louis University, was the featured speaker and gave the invocation.

In his address he congratulated the leaders for their work with young children in preparing for a better way of life.

Rev. Hastings has been chaplain in several penal institutions, including Alcatraz. He

further stated that delinquency is not a new problem and is found in all races and all areas.

Leaders deposited dime collections from their individual troops into a pumpkin raffle well for the Juliette Low Fund

which is used to bring about face-to-face meetings through the Girl Scout International Friendship Exchange.

Mrs. Doris Votaw, district chairman, gave the welcoming address and presented Miss

Helen Canada with a gift. Miss Canada is the former district

adviser and is now serving as program service director.

Awards were made to Neighborhood chairman and first year leaders, and to leaders with

long service records.

Miss Eileen Koehler celebrated her 18th birthday at a dinner Sunday given by her aunt and uncle, Mr. and Mrs. Joseph O. Robinson.

Guests at the dinner were Mrs. Nellie Hoffman, Eileen's grandmother, and Mr. and Mrs. Larry Freese and son, Steven, Mr. and Mrs. Don King and

son, Don Jr., and Garry Whitehorn.

A farewell party was held Tuesday for Gary Welch at the home of Mr. and Mrs. Tom Suttner.

Cake and coffee were served to the guests, Mr. and Mrs. John Ragsdale, Mr. and Mrs. Ralph Lever, Mrs. Kate Lever,

Charles Crow, Mr. and Mrs. Tony Shiruts, Mr. and Mrs. Don King and son, Don Jr., Mrs. Ruth Welch and son, Brian, Joe Robinson, Eileen Koehler and Gary Whitehorn.

Gary Welch is going into the service this week. He has enlisted in the Marines.

Mr. and Mrs. George Durbin were visited during the week-end by his brother and sister-in-law, Mr. and Mrs. John, Durbin of Detroit.

GOSPEL MISSION ACTIVITIES during the past 50 years have included such programs as a daily vacation Bible school during the summer. This view shows participants in the 1967 vacation

school. The Mission at 2014 East 20th street will observe its golden anniversary on Sunday.

## Gospel Mission to Mark Its 50th Anniversary Here Sunday

Granite City has changed greatly since November 1918, when the Gospel Mission was established "behind the mill" but the Mission is continuing its services to this community and region and its superintendent is still Mrs. Bethel J. Davis.

She will be among those honored at the golden anniversary is observed with services at 2:30 p.m. and 7:30 p.m. Sunday, Nov. 3, at the Mission, 2014 East 20th street.

Speaker will be Dr. George A. Rosenthal, Belleville, who has been active in the ministry for more than 25 years.

Membership of 350. Present membership is 350, including an adult Bible class of 50, contrasting with the situation 50 years ago when Mrs. Davis and her late husband, Robert Carson Davis, noted that many steelworker families resided long distances from established downtown churches and that some of the children were growing up without religious education.

A Sunday school was started in their home, featuring Bible stories and religious songs, with six school-age children attending on the first Sunday afternoon.

By the third Sunday, attendance had grown to 35 despite language barrier; many of the families were of European descent and had not mastered English.

Mrs. Madge Davis O'Connor, Arlington, Va., daughter of the Davises, recalls the early history as follows: "By word of mouth, and with

the help of Mrs. Nan Davis, mother of Carson Davis, who went visiting in the homes of the community, the word spread rapidly that the Davis Sunday school was a place of welcome, worship and friendship.

"The children were delighted with their new-found Sunday activity. Stories of the Bible held a special appeal for them. The songs they learned easily, and how they loved to sing! Eyes shining and faces glowing, they poured their hearts into the music. For the first time, many learned to pray.

"It is a wonderful thing to teach the American ideal to a child. It is fitting and right that the open Bible was the instrument by which they made the adjustment between the old and the new while they learned the English language in their schools and homes.

"Gifts of books were gratefully received in the homes. The personal contact between the Davises and their neighbors established friendships which endure today.

Move to Liberty School. "The children told their school playmates about their Sunday school and the board of education, hearing of the work, offered the use of Liberty school." Because the turnout had grown to 175, too much for the home, the transfer to the school was made.

Mrs. O'Connor adds that "for a number of years, vacation Bible school was conducted in the summer with great success. For some time, Americanization classes were held at night, dur-

ing which many learned elementary English and took lessons leading to American citizenship.

"Although Carson and Bethel Davis had by this time moved from behind the mill, their interest in their work increased with its success and the need of the community.

"There were others who wanted to help. Faithful men and women came to teach the Sunday school classes, many of them remaining loyal to this voluntary work for years. After Bethel J. Davis lost her husband in 1927, she continued with the mission work, comforted by the love, friendship, inner satisfaction and inspiration she found in it.

Serve New Generations. The children who had attended the services in her home in turn sent their children. When the Sunday school was 18 years old, another move was made, from Liberty school to the Pastor Building.

"Evening services were introduced, with a resulting response from older people. The mission remained undiminished as a result of the coming of new families from various faiths coming as guests to deliver the Gospel message."

Among the speakers who on Mrs. Davis has called on frequently are Carroll Tinsman, East St. Louis, who has been participating for over 20 years.

Other speakers during November will include Everett Hopkins, Glen Carbon, Rev. Edwin Tucker, St. Louis, Edson N. Boettcher, Belleville, and Rev. John A. Lewis, St. Charles, Mo. Services are held on Sunday and Thursday nights as well as the Sunday school at 9 a.m. A prayer circle meets each Wednesday morning.

Mrs. Davis does not present sermons at the Mission and only infrequently leads the singing, but remains the guiding force behind the program. She resided at 2014 State street, her address for the past 45 years.

Retired From GC Steel. Until retiring in December 1961, she headed the mailing department and was receptionist at Granite City Steel Co. Including service in the previous main office at 20th street and Madison avenue and the present general office building at 20th street, she handled the reception duties 35 years.

The move by the Mission from 20th and Omaha streets to its own structure took place in July 1946.

Mrs. Davis gives much of the credit for the success of the undertaking to her daughter, her two sons, J. C. Davis, J. Davis (Ret.) of Jacksonville, Fla., and Donald C. Davis of Little Rock, Ark.; 11 grandchildren and two great-grandchildren; and a foster daughter, Mrs. Charles Richard, the former Margaret Oet, who came to the U. S. from Germany in 1950 and now lives in Lancaster, Calif.

Although her work and the Mission have occupied much of her time, Mrs. Davis has also been active in the Woman's Christian Temperance Union and is a member of the Egyptian

chapter of Daughters of the American Revolution.

She spent 18 years as a member of the Neighborhood Methodist Church choir and for many years sang in the Granite City Civic Chorus. She holds membership in the Granite City Steel Ladies Management Association.

MORE ABOUT

### Muskie to Visit

Samuel H. Shapiro, who is seeking re-election.

According to Simmons, several candidates of the Illinois state ticket are expected to be on hand for the rally tomorrow night, but he said he does not yet know which state candidates are coming.

Plans for Senator Muskie's appearance in Granite City apparently came as a surprise to local Democratic leaders. Simmons said he received word of Muskie's intended appearance Tuesday evening, indicating that the scheduling of the candidate to appear in the area was a late decision by national campaign leaders.

Kennedy Set Example. Reason for the one-stop appearance here became a matter of speculation. One Democratic leader said he understood the decision was made "because Jack Kennedy (late President John F. Kennedy) made a trip through here in 1960 and they figured it was a good place to make a campaign appearance."

Other political sources noted that recent poll results indicating the Democrats have slipped this year in holding their usual topheavy majority may have resulted in assignment of national level campaign help to this area.

Simmons said Senator Muskie, after addressing the rally, will leave immediately, probably around 7:45 p.m., for Lambert Field where he will board a plane to return to the northeastern campaign sector.

### Tamburitzza Jamboree Planned for Nov. 16

A Tamburitzza Jamboree will be held at the Venice-Madison American Legion hall in Venice on Nov. 16 at 7:30 p.m. in honor of Mr. Dolbrich and Steve Milorodovich of Chicago.

The jamboree also is being held for the benefit of the Junior Tamburitzza of Granite City under the direction of Ivan Lusick and John Billich with the assistance of Steve Bucherich, Sr. of St. Louis, the Croatian Junior Tamburitzza under the direction of Mrs. Eleonora Eves and John Carr, and the Serbian Youth Tamburitzza orchestra that Nikola Jakovic, directs.

The program will include a film of the last jamboree and a selection of Tamburitzza stars will perform.

Accident-Prone. Those people who travel at too fast a pace on the highways are only hurrying the footsteps of Father Time.

## Rezoning is Ok'd For New Shopping Center in GC

Commercial zoning was approved Monday night by Granite City council members for a 16-acre tract along the west side of Nameoki road between Tri Mor Bowl and Ponton road where a \$1,300,000 shopping center is planned.

An ordinance rezoning the area from residential to commercial was given unanimous approval to pave the way for start of construction in about 90 days.

Planned initially for the area is a 66,000 square foot building for a Car's Super Department store and a Foodtown Super Market. Car's will continue to operate in the downtown store on 15th street.

Henry Ross Construction Co. will be the builder and said the shopping center development eventually will represent an investment of \$2,500,000.

Council members were notified by William F. Hoelcher, chairman of the City Plan Commission, that the commission will meet on Nov. 14 to review in detail the long-range comprehensive plan for the city of Granite City, prepared by the Southwestern Illinois Metropolitan Area Plan Commission.

A public hearing on the master growth plan was held Oct. 16, and no objections were raised. Following the City Plan Commission meeting, Hoelcher said, a final recommendation will be made to the council.

Placed on file by the council were two appraisals of the 4.5-acre tract where a new city garage has been proposed. The tract is located between 24th and 25th streets, east of the railroad tracks and lying between 24th and 25th streets was appraised at \$25,000 by Kaegel Realty and \$25,000 by Granite City Realty.

The city has a proposal from M. H. Wolfe Co. through Lueders Agency for purchase of the tract with a new garage building to cost \$187,487, including about \$100,000 for the land.

city-wide survey in which residents were asked to repair or raze structures where needed and to clear any unsightly areas.

It brings about a cleaner community and nicer neighborhoods," he added. In the only other business of the month, the council approved bills and minutes of the previous meeting.

## School Election Called; 10-Year Bond Retirement

The Granite City school board last night formally called a special election for Dec. 7 on issuing \$4,750,000 in bonds to build three schools and two additions and on boosting the education tax rate ceiling by 40 cents per \$100 assessment.

Voting hours were set as 9 a.m. to 7 p.m. The ballot will show sale of the bonds "within 20 years" but the board approved a motion to develop a ten-year bond retirement schedule, as recommended by a citizens' committee.

The ballot will not say ten years due to the traditional year's delay for tax collection, it was explained.

Boundaries in a resolution calling the election were revised to enable all voters to cast ballots at grade schools which their children attend or would attend.

Lists of poll judges were revamped in accord with the boundaries, and their pay was set at \$50 instead of \$35 due to the addition of three morning voting hours. Hope was expressed that the longer hours will encourage a bigger voter turnout than in past school bond elections.

### Speakers Offered

Assistant Supt. Frank Kraus is scheduling election speakers for groups which request them, and Assistant to the Supt. Dale Rea and Assistant Personnel Administrator Raymond T. Jones are arranging a meeting Nov. 7 with heads of organizations and representatives of governmental agencies to review the election plans.

A get-out-the-vote committee and a publicity and financial committee have been formed among citizens to help seek support of the referendum.

The bonds have been estimated to involve a tax rate increase of 21 to 25 cents. With the 40 cents for education (higher operating costs, staff expansion and salary increases), there would be a hike of over \$1,300,000 in authorized yearly school expenditures.

The 61-to-65-cent rate change would add 14% to the present overall Granite City tax rate of \$4.38.

### Confer With Engineers

The board conferred with five Missouri engineers and decided to continue permitting architects to make their selections of engineering firms to help them complete detailed construction plans.

John C. Theiss, structural engineer, representing Heinicke & Theiss of St. Louis, indicated a willingness to serve if the board directed an architect to use his services.

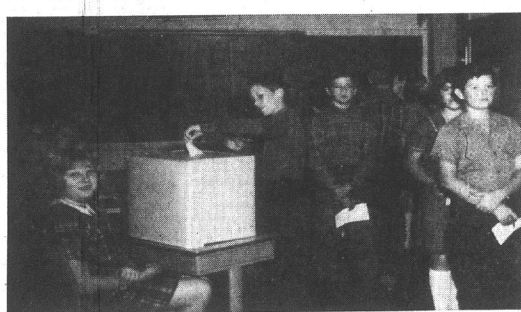

He and the others said their

### Posthumous Medals For Cpl. Harrison

Mrs. Evelyn Fuller, 3011 Myrtle avenue, was presented with medals of her son posthumously this week by Lt. John T. Valfre of the Granite City Army Depot.

Cpl. Thomas E. Harrison was killed in action in Vietnam on June 20 of this year. Lt. Valfre made the presentation in the Fuller home and the medals included the Purple Heart, Bronze Star medal, Air Medal, Combat Infantry Badge, Vietnam campaign ribbon, and the Vietnam service medal.

### \$350 Damage in Blaze At Circle Dr. Home

A hot water heater was blamed for a \$350 blaze about 10:25 p.m. Wednesday at the frame home of Thomas Adams, 2537 Circle drive. Firemen said the loss included \$300 to the building and \$50 to the contents.

Early this morning at 3:25, firemen were called to the Union Division of Miles Laboratory where a flash dryer was overheated. They were there 50 minutes. No loss was reported.

### Fire in Old House

Firemen were called at 5 p.m. yesterday to a dilapidated house in the 2600 block of Iowa street to extinguish a fire in a mattress in the basement. No damage was reported.

Miss Hotz's office said high interest continues in absentee balloting, with 2703 applications on file as of yesterday. Staff

members said that the rate absentee ballot applications have received they expect a total of at least 3000 by the end of the application period at 5 p.m. today.

While no further mail applications for absentee balloting will be received after today, voters who plan to be out of the county on election day may vote in person at the county clerk's office in Edwardsville until noon Saturday.

Miss Hotz's office customarily closes on Saturdays, but will remain open this Saturday until noon for voting purposes only. Absentee ballots will be distributed to the respective precincts on election day.

Distribution of ballots and election supplies to the county's 186 polling places began Monday with Miss Hotz delivering the supplies personally to be certain they were put in the right place. The work is expected to be completed tomorrow.

The main floor quarters of the county clerk's office in the courthouse at Edwardsville will be converted into a news room for tabulation of the vote on Tuesday night. Results will be sent by the county clerk's staff to the news room as soon as they are received by phone from the judges of each precinct as the count is completed.

## Warriors Slight Favorites To Gain First Grid Win Friday at Quincy

The Granite City high school Fighting Warriors, 0-5 in the league and 0-4 for the season, will have a night off from Southwestern Conference action Friday as the local gridirers travel to Quincy for an 8 p.m. game against the Blue Devils.

CGHS may be able to take heart from the fact that Quincy also had a slow start, losing five in a row, but has now won two straight.

The Blue Devils defeated Burlington 20-0 and then edged Galesburg last week, 7-0.

It could be a relatively even game, with the Warriors slightly favored, judging by the past performance of tomorrow's rivals.

CGHS so far has tied Belleville Althoff 13-13 and lost to Belleville East 32-0, Wood River 20-0, East St. Louis 34-0, Collinsville 28-14, Alton 46-7 and Edwardsville 34-20.

Hickman, Alberts Star  
Quincy began with a 32-0 loss to Alton, Richard Hickman scoring the lone Blue Devil touchdown on a 19-yard run.

Next, the squad from the north bowed to Collinsville 33-13, Hickman tallying a five-yard TD and Dave Hobbs going over on a 39-yard pass play from Mike Alberts.

The Blue Devils held strong Belleville West to a 22-7 score as Alberts played for a two-yard score. Quincy was shut out 21-0 by Lincoln of East St. Louis before being snowed under by Belleville East 40-0.

Although both lost to the three common foes, the Warriors were one touchdown bet-

teams a junior does not have much of a chance to start, but we have been starting five juniors, which will help make us strong next season.

An advantage for the Warriors is that Jim Jones, a track star last spring, has returned to fulfill his duties after being out part of the football season with a knee injury. In his first game after the injury, against Edwardsville, he carried the ball ten times for 54 yards, an impressive average.

Dave Evans, 175-pound junior, is expected to be the CGHS quarterback.

The high-scoring soccer team at SIU-SW faces its severest test of the regular season Friday. The Cougars meet Quincy College here at 3 p.m. Quincy is seeking its third straight National Association of Intercollegiate Athletics soccer crown.

The Cougars have scored 39 goals in seven games while allowing only six. Coached by Dave Evans, 175-pound junior, is expected to be the CGHS quarterback.

# Duck Season Opens on Saturday in Illinois

Duck populations in the Illinois and Mississippi river valleys are lower than they were a year ago at this time, according to the U.S. Fish and Wildlife Service.

## Duck Season Opens on Saturday in Illinois

Duck populations in the Illinois and Mississippi river valleys are lower than they were a year ago at this time, according to the Illinois Department of Conservation.

Duck season will begin at sunrise Saturday and end at sunset Dec. 1.

The daily limit of three ducks may not include more than one canvasback or redhead, one mallard, two wood ducks and two black ducks.

The possession limit of six ducks may not include more than one canvasback or redhead, two mallards, four wood ducks and four black ducks.

In addition to the above, sportsmen may take five mergansers a day and retain no more than one in possession, but only one hooded merganser may be killed in one day and two retained in possession.

The daily bag limit of coots is 10 and the possession limit is 20. On evening days the possession limit is the same as the bag limit for all species.

Frank Belrose of Havana, a wildlife specialist for the Illinois Natural History Survey, found fewer ducks on Oct. 21 for this year than he did on Oct. 23, 1967. Most of the ducks observed were concentrated in areas where waterfowl foods were available. But fluctuating water levels in the Illinois and Mississippi rivers were responsible for poor food production, the poorest in 20 years, according to Belrose.

In only a few areas were marsh and soil plants produced in any quantity this year. If the weather is dry and farmers can plow their fields, this source of food for mallards disappears. The chances are that mallards will not stay long in Illinois once they arrive, because of the poor food conditions.

## Mizerski, Petrillo To End Grid Careers At Nebraska College

The 1968 football campaign will end this Saturday evening for Peru State College when the Bobcats play host to the Broncos of Hastings College. Game time at the Oak Bowl in Peru, Neb., is set for 7:30.

The game will again decide the caliber-dweller of the Nebraska College Conference, since both clubs enter the fray with identical 0-3 conference marks. Last year's battle went to Peru by a 23-7 score. Peru saw its last chance for a 500 season and a third-place finish disappear last weekend when the Bobcats dropped a tough 7-0 decision at Wayne.

The Bobcats have now dropped four straight contests and have an overall record of 2-7.

Hastings is 1-4 for the year, but has played all three of its conference foes ruggedly, losing to Kearney 24-20, Wayne 16-7 and Chadron 26-14.

The lone Bronco win was a 41-20 decision over Hanover College of Indiana.

The Peru-Hastings series has been one of the toughest for the Bobcats of any on the Nebraska circuit.

Peru leads the Broncos 17 to 15 with three ties since the games began in 1909. Since 1960, each team has won three times and two games have been ties.

Twelve Bobcats will play their last game for Peru Saturday at 3:30 p.m. at Hastings, including tackle Charles Mizerski and halfback Nick Petrillo, both of Granite City.

## Trojans Host Roxana, Could Assure Tie for Midwestern Championship

A victory for the Madison high school football Trojans here Friday evening would insure them of at least a tie for first place in the Midwestern Conference for the 1968 season.

The conference rival at MHS will be Roxana, 2-2 in league play compared to the Trojans 3-0. The Trojans have one of the lightest teams the Trojans have faced this season, no one on the offensive squad reaching the 200-pound classification and only one in the defensive line-up being that heavy.

The Trojans on the other hand have held the upper hand in weight up front all this year. The closest anyone has come to matching the Trojan size was Dupo last week.

Roxana Coach Morris Tschannen says "We have a lot of respect for Trojans Quarterback, Jim Scott. He is very accurate and, if he gets into trouble, it is hard to shake the ball loose because he carries it for so long."

He also cited Backs Harold James and Dwayne Shaw. Quarterbacking for the Trojans will be John Peters, 155-pound junior. Others in the backfield will be Rick Sims at fullback, John Chafin at halfback and Phil Walters at tight end. Pass receivers include Ends Mike Hawkins and Bob Tschannen.

Roxana TD scorers were Peters and Back Dave Stanton on short plunges in a 14-13 win over Triad.

Stanton has run in 8-4 win over Highland; and Chafin a one-yard run in a 49-7 loss to Cahokia.

Tschannen in his first two games was blanked by Southwestern 27-0 and Wood River 48-7.

The Madison squad will be looking for its fifth straight win after dropping its first two contests. Only once has it lost, against Highland in its first game.

But after being shut out by O'Fallon 27-0 and Rosary 25-0, James has carried the ball 54 times for 452 yards and has five touchdowns, and 19 extra points. He has caught four passes for 74 yards.

Stanton has run 65 times in five games for a total of 628 yards. He has scored six touchdowns, caught six passes for 112 yards and returned nine punts and kickoffs for 304 yards.

Dale Clinton has 44 carries for 315 yards. He has caught two passes for 44 yards, made five touchdowns, intercepted twice for 25 yards and averaging 10 tackles a game as a defensive back.

John Ervin has caught 13 passes for 568 yards, made five touchdowns, has 16 yards rushing, has recovered three fumbles and has averaged over nine tackles a game.

Mark Wells, Trojan center, has been credited with no fumbles and has given up almost no yardage up the middle. Coach Alvin Vonder Harin said, "He and Ervin are our best downfield blockers. Ervin is a hustler and team leader."

On runs to the strong side of the Trojan line, the local team has totaled 973 yards. The line men are Bob Scott, William Campbell and Eddie Hilton. Hilton has caught 14 passes for 132 yards and has scored twice. Harper, Campbell and Ervin.

On defensive rushes, John Harper has averaged 11 tackles a game, has recovered two fumbles, blocked two extra points and is second on the team in quarterbacking the extra point. He has blocked two extra points and is second on the team in quarterbacking the extra point.

## Early Lead Provides 19-13 Soph Grid Win

The Warrior sophomore football team scored 19 points in the first half at Edwardville Monday evening and went on to beat the Tigers 19-13.

Coach Tom Wyrostek said, "We gave everybody an opportunity to play and each boy who dressed played at least a quarter and a half."

Ned Tapp scored first on a 40-yard sweep to the right side of the line and Don Harris followed with the extra point conversion on a kick.

Jeff Melzer scored next on a three-yard play up the middle, and Mike Wilson then passed to Eric Stuber for 30 yards and a TD on a bootleg to the right.

Harris punted four times for distance of 40, 70, 50 and 50 yards.

## Model Rocket Launch Meet Changed to Nov. 9

A launch meet for model rocketeers of the Quad-City area has been rescheduled for Nov. 9 on the Prather Junior high school football field.

The meet was originally planned for this Saturday. Object of the meet will be for beginners to learn more about rocketry, how to observe safety rules and how to use the launch pad safely.

## Trojans Sophs Rally To Gain 13-6 Victory

The Madison high school sophomore football team came from behind Monday evening at Dupu to defeat the Tigers 13-6 at halftime.

The Trojan scores came on a 25-yard run by Harry Boyd in the third quarter and a pass play from Austin Lewis to Douglas Griggs for 38 yards in the last quarter. The second extra point try was run by Boyd.

The Trojan victory brings the season mark to 2-2, with next action slated at 7 p.m. Monday at Roxana.

## Conviction Record On Felony Cases Here Called Low

The record of Leon Scroggins (D), state's attorney of Madison county, was unveiled today by Marshall H. Smith, East Alton attorney and campaign manager for the Republican state's attorney nominee, Roland W. Griffith Jr.

"Scroggins has been claiming that his record bears matching with his predecessors, but in his home area his staff has won only one of seven felony cases that went to trial," Smith said.

"In the area bounded by Interstate Routes 70 and 270, the Mississippi River on the west and Route 111 on the east, the following felony cases have been tried before a jury during Scroggins' tenure in office:

"A, aggravated battery, found guilty, prosecution handled by state's attorney. This is the only felony that has been won in the entire above area, Scroggins' home, Jacksonville, Missouri; Adley Riley, 9084 Jackson, Madison.

"These other cases were all lost by the people, represented by state's attorney.

"B, armed robbery, two eye-witness, not guilty.

"C, armed robbery, also one eye-witness, also not guilty.

"D, burglary with fingerprints found on safe, not guilty.

"F, burglary, one witness who heard confession, not guilty.

"G, murder, not guilty."

### HALLOWEEN PARTY AT CHURCH OF GOD

Members of the Junior group of the Church of God attended a Halloween party Monday, given in the educational building of the church. Mrs. Deema Clark and Mrs. Marge Hodges planned the party and were assisted by Bobbie Epps, Linda Nelson and Jackie Watkins.

The evening was spent playing games and refreshments were served to 35 who attended. Decorations were in a Halloween motif and small "ghosts" served as individual favors.

The sponsors announced that there will be a weekend revival at the church beginning on Friday; Mr. and Mrs. Donald Draper of Peoria will conduct the 7:30 p.m. services.

### BRIDGE CLUB WINNERS

Singles games were played at a weekly meeting of the Granite City Duplicate Bridge club Sunday evening at the Elks club. A tie for first place occurred in the scores of Mrs. Mildred Branding and William Buerter; third place went to Elmer Branding.

The next meeting will be held Nov. 3 at the Elks, beginning at 6:45 p.m.

The Nameoki Duplicate Bridge club met Monday morning in the home of Mrs. Helen Meyer, 2832 Yale drive, for its weekly session.

First place went to Mrs. Betty Caldwell and Mrs. Muriel Dressed, second place to Mrs. Betty Cote and Mrs. Marie Huff and third to Al Schaefer and Mrs. Meyer. The club will meet again next Monday at 10 a.m.

### BROWNIE TROOP 596 HALLOWEEN PARTY

Brownie Troop 596 of Parkview school met at the school Monday afternoon for a party in observance of Halloween.

The girls opened the meeting with the pledge of allegiance and Brownie promise. Each made a paper pumpkin which was later used for one of the games.

Refreshments were served by Mrs. Ruth Voorhees and Mrs. Carmen Dickerson to Christine Luckert, Linda Lowell, Beth Ann Fetter, Karen Oresowich, Coy Bowler, Laura Allen, Jennifer and Susan Boone, Michele Dickerson, Cheryl Voorhees, Shady Kirchen, Sheri Robinson, Jamie Stone, Jodie Ward, Cynthia Williams and a guest, Becky Van Kirk, and the leaders, Mrs. Dorothy Luckert and Mrs. Ruth Ann Williams.

### MRS. HOMMERT HOSTESS TO PINOCCHIO CLUB

Mrs. Catherine Hommert entertained members of her pinocchio club Tuesday evening in her home, 2732 Michigan avenue, for a monthly meeting.

Those winning prizes in the card games were Mrs. Harriet Hoff, first, Mrs. Edith Ryan, second, and Mrs. Hene Willis, third.

A late dessert course was served by the hostess to those named and Mesdames Lorraine McElroy, Mary Lou Clausen and Hazel Rollins and two guests, Mrs. Thelma Schmidt and Mrs. Lucy Stucke.

Mrs. Juanita Rosenberg will entertain the group for its next meeting Nov. 26 in her home, 2264 Cleveland Blvd.

## Trash and Dump Complaints Given To Contractor

Improved methods of handling garbage and trash collection complaints were outlined for Granite City council members Monday night by Stanley Litener of Milam East Corp., the contractor for the city.

He also said that any complaints received at the city hall should be referred to the firm's local office. "We're making three copies of all complaints with one going to the main office in St. Louis, one to the local manager and the third to the driver of the collection truck that might be involved."

Litener was told by several aldermen that they had received complaints that local business firms were being charged to dump trash from their own businesses at the MAL Landfill on Chouteau Island.

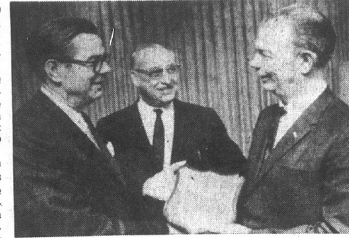

"There has been some misunderstanding, which we'll try to clarify," the Milam Corp. official said. He advised the council that his firm has a contract with MAL for use of the dump and that vehicles with Granite City auto wheel tax stickers are to be admitted to the dump without charge.

"Under our agreement with the city, commercial haulers are to be charged, so I can see why there has been misunderstanding at the landfill when a commercial vehicle arrives. Most of the hauling by individuals is in station wagons or autos, but we've seen trucks with addresses painted on the sides for Venice and Madison and Mitchell that have Granite City windshield stickers," Litener said.

The aldermen pointed out that in many instances, local house-holders borrow trucks from friends who have businesses. "They are being turned down or charged," it was pointed out.

The contractor said such cases would have to be studied on an individual basis and a permit could be issued at the Milam office in the 1500 block of State street, provided the hauling is not on commercial basis.

## GC Back to 7 Wards; Remap Given Final Ok

Granite City is back to seven wards. Monday night by the city council adopted a redistricting ordinance just eight days before the court imposed Nov. 5 deadline.

Approval of the cutback to seven wards from the present eight was voted 12-to-2, with First Ward Alderman Moerlein and Seventh Ward Alderman Jarrett opposed. Absent were Second Ward Alderman Bartosiak, who was working, and Seventh Ward Alderman Robertson, who is hospitalized with injuries suffered in a fall last Friday.

Voting for the redistricting were Dallas, Whittier, Boyd, Poulos, Green, Rutledge, Nann, Fry, Parmley, Dawes and Johnson.

**New Lineup**  
With the new map, Dallas is the only first alderman living in the new First Ward, while Moerlein is in the Second, Boyd is in the Fourth, Nann is in the Fifth, serving with Nann and Basarich.

Four of the present aldermen reside in the new Second Ward—Bartosiak and Whittier, who were elected Second Ward aldermen, and Rutledge, who was in the Fourth Ward, and Jarrett, who was in the Seventh. Boyd and Poulos remain as Third Ward aldermen.

Serving the Fourth Ward are Green, who was elected in that ward, and Robertson, who was elected in the Seventh Ward.

In the Sixth Ward, Fry and Parmley will continue in their respective capacities, while the new Seventh Ward will be served by Aldermen Dawes and Johnson, who originally were elected for the Eighth Ward.

**Begin Next April**  
Next April, the city will elect seven aldermen, and with one holdover, there will be a 15-member council instead of 16. Also pending next April is a vote on the special proposal to reduce the size of the council to one alderman for each ward instead of two. The changeover, if this proposal carries, would not begin until 1971.

Discussion of the redistricting plan was brief Monday night. Several aldermen pointed out that with continued growth in the Sixth and Seventh Wards, redistricting might be required in another two to three years in order to maintain a balance of population.

**Critical of Ordinance**  
Moerlein was critical of the ordinance setting forth the new boundaries. "I don't mind going into the Fifth Ward, but I think this ordinance, if contested, will not be accepted and that's why I'm opposing it."

Fry remarked that if the ordinance is not in compliance with the court order, Judge L. H. Streeper would give the council other directions.

Nann answered that he felt the population split was as even as could be done at present, but that other changes would be needed in the future. He remarked to Fry, "I know you presented the judge with a map."

Fry replied that the only map he knew had been given the judge was a census map showing population counts by city blocks. "There were no indications of boundaries."

**Primary Election**  
In other action, the council approved a resolution authorizing the city clerk to prepare for a Feb. 11 primary election in the city, should more than two candidates file for the office of mayor. A new state law requires a run-off election for mayor candidates in the event more than two persons file.

Normally, city election filing starts early in January.

Industrial Site Map Displayed

## SIU-SW Must Serve All of Area: Rendleman

Growing enrollment and expanded academic programs at all levels are only a part of the future of Southern Illinois University-Southwestern Campus, Chancellor John S. Rendleman told the annual meeting of the Metro-East Industrial Development Corp. Monday night.

Citing a 22% increase in enrollment this fall, Rendleman told the group that "numbers alone are not enough; the job that we do, the quality of our educational programs and our relevance to the area we serve are most important."

Rendleman was the principal speaker at the Metro-East session at which Harold R. Fischer, chairman of the board of the First Granite City National Bank, was installed as chairman, and in which an industrial site map of southwestern Madison county was made public.

The map and an accompanying detailed listing of available industrial sites comprises the first phase of the Metro-East industrial maps project.

**Other Officers Installed**  
Other officers installed included Harry Cruncheon, executive vice-president of the First National Bank in East St. Louis, vice-president, and Howard Colquhoun, manager of the Tri-Cities Chamber of Commerce as secretary-treasurer. More than 50 persons attended the affair in the University Center on the Southwestern Campus.

Rendleman said that SIU-SW "is already a first-class institution, but its level of academic competence, educational offerings and service to the area is not fully understood."

"The university will not fully meet its responsibility unless it relates itself closely with the students and the area it serves," the chancellor added.

**HAROLD R. FISCHER**  
Metro-East Chairman

He said that doctoral programs are even now being sought in seven different academic areas to help give SIU-SW a research orientation and to add to the maturity of the faculty. A committee of dentists is now choosing a dean for the new school of dentistry and he will join the staff next July 1.

**Not The Whole Role**  
"But this is not the whole role," he noted. "The university must be just as interested in the ADD mother in the ghetto of East St. Louis who could get a job tomorrow if she were trained as a nurse's aide... the University must be interested in vocational training for those who do not qualify, are unable, or who don't want a college education."

"The university will not fully meet its responsibility unless it relates itself closely with the students and the area it serves," the chancellor added.

plained that 500 copies of the map have been provided to each of the Port District and the Tri-Cities Chamber of Commerce, and 1000 copies given the Metro-East Development Corporation.

Dr. Robert L. Koepke, who directed the map preparation by SIU-SW, explained the map lists 135 potential industrial sites ranging in size from five acres to 450 acres, and encompassing a total area of more than 13,000 acres.

**Outside City Boundaries**  
All available acreage is outside of present municipal boundaries, the study shows.

Dr. Koepke said a total of 13,111 acres is rated as potential industrial development area, with 728 having rail service available.

He said 7405 acres of the area is served by major highways. All of the acreage is zoned, he explained, with 5822 acres zoned for agriculture, 4221 acres for heavy manufacturing, 2773 acres for general manufacturing and 342 acres for limited manufacturing.

**Largest potential site** is 1328 acres south of the Cahokia diversion channel and north of Highway 270. The site listings give exact location, zoning, school and fire districts and either rail or highway access for each plot.

Earl Kyles of Collinsville, outgoing chairman of Metro-East, outlined programs undertaken by the development corporation during the past year. He said examples of the organization's activities included testimony at a hearing by the U. S. Army Corps of Engineers against a proposal to build levees around the Columbia Bottoms site in Missouri, and its testimony, also before the Army Engineers, in behalf of the new dam and locks to be built below Alton.

Railroad Products Down

## Amsted Industries Sales Up 5% for Fiscal Year

Amsted Industries reported Tuesday at Chicago, its sales in 1968 increased approximately 5% over last year reaching an all-time high. Sales of Amsted's industrial products rose 34% amounting to over \$150,000,000 for the first time and were up 20% of total volume. Railroad product sales declined 25% due to the continued low level of new freight car buying.

Sales for the year ended Sept. 30, were \$235,285,000, up from the \$223,234,000 in 1967. Net income amounted to \$9,755,000, or \$3.55 per share, compared to \$13,027,000, or \$4.75 per share, in 1967.

Joseph B. Lanterman, Amsted president, said, "The decrease in earnings resulted from a less profitable product mix, primarily attributable to the decline in railroad product sales, and to the provision, amounting to 24 cents per share, for the 19% federal income tax surcharge that was effective Jan. 1, 1968."

He noted that the sales decline of approximately \$28,000,000 in railroad products was more than offset by an increase in sales of about \$38,000,000 in other product lines with lower profit margins because of lower value added.

The American Steel Foundries plant here is an Amsted industry for railroad products. Cash dividends of \$2.40 per share were paid in the 1968 fiscal year compared to \$2.30 per share in 1967. The amount was \$6,593,000, up from \$6,250,000 a year ago.

The board voted Tuesday a dividend of 60 cents per share payable Dec. 13 to stockholders of record as of the close of business on Nov. 19.

2 Minor Fire Calls

Firemen were called about 2 p.m. Wednesday to Pat's Discount center, 1550 State street, where a ballast in fluorescent light fixture had become overheated. No loss was reported. Shortly before noon Wednesday firemen went to a home in the 2400 block of Lincoln avenue where a housewife could not turn off the oven of a kitchen stove and it was overheated. Firemen managed to turn off the oven.

Car-Truck Collision

Damage to the left rear of an auto driven by Edward Moad, 1423 Third street, Madison, was reported to Venice police at 10:20 a.m. Tuesday as the result of a traffic accident at Market street and Broadway. Police reported the mishap occurred as Moad was headed east on Broadway and a truck driven by Willie Abba Benson of East St. Louis pulled out of a parking lot. The truck was not damaged.

## New Federal Vote Laws Cited Here By GOP Chairman

Madison County Republican Chairman Charles Walters said here Tuesday night that he is ready to ask that Federal Bureau of Investigation agents be sent into this county on election day Nov. 5.

"Stealing votes has been a sport in some areas of Madison county and other counties in Illinois," he charged. "New federal laws which carry with them fines of up to \$10,000 and prison terms of up to five years will make it a dangerous sport in 1968."

Recent federal election statutes have greatly tightened up former loopholes in the election process, said the county chairman. Enforcement of election laws is no longer solely a local responsibility, he stressed.

Walters continued: "Episodes at polling places in recent elections are in basic conflict with our free election system. Too often, the law enforcement personnel refuse to intervene in election day controversies because of their own vested interests."

"A person's vote is his most treasured right. A person's vote must be protected, and it must be counted properly after it has been cast. Severe penalties are needed for those convicted of an election fraud, and we now have those penalties under the new federal statute."

"All tampering with ballots must be stopped, and we are prepared to stop it in this area. We have well-trained poll watchers and challengers to help us in the polling places on election day."

"Our intent is to see to it that the new federal statute is enforced. We are not trying to send anyone to prison, even though that could be the result if there is tampering with the voting process. What we want is strictly an honest election."

His comments were made at an "Operation Eagle Eye" meeting at the Travelodge at which proper election procedures were reviewed.

## Police, Mental Health Institute Set

The first annual Police and Mental Health Institute will be sponsored by the Granite City police department Nov. 14 and 15 at the Tri-Cor Medical building. Sessions will be from 9:30 a.m. to 4 p.m.

Invited are police chiefs, state police and representatives of mental health and youth agencies in Madison and St. Clair counties.

Scheduled for the first day are discussions on recognition of mental illness and disposition of cases.

A panel discussion on processing of mental cases will be held the second day and speakers will represent the police department, Alton State Hospital, the St. Elizabeth Hospital, emergency room and mental health agencies.

Referral or follow-up discussions will include mental health, Coordinated Youth, Family Service, Specialized Services, Catholic Charities, Social Concern Council and Protestant Welfare.

Certificates will be presented to those attending.

## GC Interact Club Elects 3 Directors

Three members were elected to the board of directors at a meeting of the Granite City Interact Young Men's Club Tuesday evening. They were Jeffrey Lybarger, Kevin King and Robert Zarba. They will be installed at the next meeting Nov. 12.

Two new members, Mike Asadorian and Rick Lesko, were installed Tuesday evening, and Richard Duff was approved for membership.

Plans were made for a hayride to be held Saturday evening.

## Granite City Host to SW Mayor's Council

A panel discussion of municipal problems and potential solutions highlighted a regular meeting of the Southwestern Illinois Council of Mayors last night.

Granite City Mayor Donald Partney was host to the gathering of approximately 30 mayors and their representatives at a dinner session at the Rose Bowl Restaurant.

A discussion panel made up of George Washburn, administrative assistant to Mayor Alvin G. Fields of East St. Louis; Mayor Barney Metz of Dupont, a former president of the mayors' council; and Mayor Stephen Maers of Madison, considered questions posed by attending mayors and offered their ideas of possible solutions.

The council meets on the fourth Wednesday of each month.

### Assigned as Pioneer

Army Pfc Richard L. Applegate, 19, son of Mr. and Mrs. George Applegate, 2425 Benton street, was assigned, this month as a pioneer with the 31st Engineer Battalion in Vietnam.

## Mrs. Julia Fulcher, Collinsville, Dies

Mrs. Julia E. Fulcher, 75, of Collinsville, mother of John D. Fulcher of Granite City, died suddenly at 2:30 p.m. Wednesday shortly after arriving at St. Elizabeth Hospital here.

Born in Anna, Ill., she lived in Collinsville 31 years. Her husband, John Fulcher, died in 1966.

Other survivors include another son, Omer G. Fulcher, Collinsville; two daughters, Mrs. Mildred Holland and Mrs. Dorothy Schwoebel, both of East St. Louis; a brother, William Eaves, Fulton, Ky.; eight grandchildren and one great-grandchild.

Services will be at 1:30 p.m. Saturday at a Collinsville funeral home. Burial will be in St. John's Cemetery, Collinsville. Friends may call after 7 p.m. today.

### Accident in Wood River

Raymond Thomas, Mercer Mortuary funeral director, was charged with careless driving after his station wagon struck a parked car Monday afternoon in Wood River. He said he had a coughing spell and when he momentarily closed his eyes, the vehicle swerved off the road and hit an auto owned by William Holden of Alton.

**NAMEOKI ROAD** being cut at Victory drive for installation of a 96-inch storm water drainage line. The installation starts at the levee district ditch and runs along the old ITR right-of-way that parallels Victory drive and will extend to Washington avenue.

## MORE ABOUT Police Question

In a plate glass window at the shop.

Barricades again were a target of vandals who removed them from 27th street and Washington avenue and twice at Faith avenue and Nameoki road. Trash cans were overturned in the 2400 block alley between Washington and Iowa streets and a mail box was found in the street in the 2200 block Lincoln avenue. All these incidents occurred before 8:30 p.m.

### Autos Damaged

Two auto owners reported cracked windshields. Vincent Becker, 2400a Benton street, said the windshield of his 1964 auto had been hit with either a rock or hammer, and James Reynolds, 2212 Missouri avenue, said the windshield of his 1966 auto was cracked while the car was parked at his home.

Beverly Wilson, 2228 Benton street, reported at 7:40 p.m. that the screen was ripped on the rear door at her home and eggs were hurled against the door. Mrs. John Janek, 2611 East 26th street, reported vandals in a light colored small foreign car threw eggs at her home about 8:45 p.m. and broke a front window.

At 10:20 p.m., John Jones, 4145 Highway 111, reported that vandals had poured soap powder in the gas tank of his auto and also had broken eggs on the front seat.

Acts of vandalism reported to police Tuesday night and Wednesday morning were—

**School Windows Broken**  
Six classroom windows were broken by soda bottles at Central junior high school, including four in room 11 and two in room 3. Trash containers were turned over in the alley behind the school.

The S. M. Wilson Co. reported that flasher lights on barricades were broken at various street excavation sites throughout the city. In addition, a padlock was pried off the door of a company crane at Niedringhaus avenue and Iowa street. The cab was entered and a hand-operated grease gun was stolen.

Other victims of vandals included Kenneth Martin, 2827 Marshall avenue, windshield broken and the front and both sides of his 1963 auto damaged while parked at his home.

Ruby Coffman, 2219 Edison avenue, three windows broken at her home.

**Garbage Can Used**  
Floyd King, 2835 Grand avenue, a rock thrown through the front picture window of his home. He saw an auto drive away.

James Rice, 2620 Dogwood drive, a garbage can thrown through the picture window of his home. He heard an auto with a loud muffler drive away.

Clyde Rader, 125 Briarcliff, a large stone thrown against the house, damaging the wood siding.

Ruby Koisher, 2419 Washington avenue, catsup thrown on the porch, windows and side of the house.

Charles Polach, 1737 Delmar avenue, white paint sprayed on the side of his 1953 auto, and a sticky substance, probably molasses, poured in the gasoline tank.

Harry Brandt, 2809 Indiana avenue, a large stone against the lower part of a storm window, breaking it.

### MORE ABOUT GC Girl, 8

said the driver of the other auto was Molly Sues, 52, of 1516 Cottage avenue.

**Three-Auto Accident**  
Two persons were injured when an auto driven by Mary M. Foster, 18, of 2332 East 24th street, who slowed for traffic, was struck from behind by an Avis truck driven by Victor L. McNeal, East St. Louis, and shoved into the rear of an auto driven by Rose Ann Waldorf, 22, of St. Louis, at 5:15 p.m. Tuesday on Route 111 south of State Aid St.

Miss Foster was admitted to St. Elizabeth Hospital following x-rays to the skull, back, knee, leg and forearm. The Waldorf woman suffered slight injuries. McNeal was cited by state police for following too closely.

## Man Sought in Beating Surrenders to Sheriff

A St. Clair county man sought in connection with the severe beating of a 16-year-old East St. Louis girl found near the Hardway canal on Oct. 20 surrendered Monday at the Madison county sheriff's office in Edwardsville.

He is Dallas Laws, 22, who was sought on a warrant charging aggravated battery. He was held at the Madison county jail pending a preliminary hearing. The girl, Wendy Lynn Moore, was found unconscious and severely beaten by four young area fishermen. She suffered fractured facial bones, underwent surgery and was reported to be in critical condition and still unconscious.

## Open Houses at Schools in GC

Open houses are being held at most Granite City public schools in observance of American Education Week. It was announced this week. The first took place Tuesday night at Mary's school.

Prather junior high school will have classroom visitation and refreshments between 7 p.m. and 8:30 p.m. Monday. The remaining schedule follows:

Nameoki school, room visits 7:30-8:30 p.m. Nov. 7, appreciation dinner for teachers 1:15 p.m. Nov. 8.

Nov. 12-7 to 8:30 p.m. room visits at Coolidge junior high; 7:45 p.m. room visits and PTA meeting at Webster; 7:30-8:30 p.m. room visits at Niedringhaus; 7:45 p.m. room visits at Central Junior high; and 7:30-8:30 p.m. room visits and refreshments at Grigsby junior high.

Grass Creek school will have "College night" Nov. 17 and an open house, room visits and award presentations 7:30 p.m. Nov. 18.

Logan school on Nov. 12-13-14-15 will have room visits and with pupils from 11 a.m. to noon daily.

Nov. 13-7:30 p.m. room visits at Lake and Marshall schools; Nov. 14-7:30 p.m. room visits at Mitchell; 7:30-8:30 p.m. room visits and PTA meeting at McKinley; and 7-8 p.m. room visits and 8-9 p.m. PTA meeting and film at Emergen.

Nov. 15-4-6 p.m. room visits at Washington.

Nov. 19-7:30 p.m. room visits and PTA at Frohman.

Nov. 21-7-8 p.m. room visits at Wilson and 7:30-8:30 room visits at Parkview school.

## Muskie Talk at GCHS Stadium Authorized

Use of the Granite City high school athletic field and/or gymnasium for a public meeting Friday evening to be addressed by U. S. Senator Edwin Muskie of Maine, Democratic vice-presidential nominee, was approved by the school board last night.

M. H. Wolfe & Co. was authorized to remodel a former Stolte Lumber Co. to create a board office. His low bid was \$12,540, compared to \$14,450 and \$19,750 quotations by other contractors, and selection of alternates increased the amount to \$13,000.

Purchase of warehouse pallets at not to exceed 75 cents each from the former Rantf Bottling Co. was authorized. The warehouse is to be located on Stolte property.

Telephone service for the new administrative office at 20th and Adams streets was approved. It will cost \$372 for installation and \$48 a month.

## GC Boys Damage Phone Cable in Jersey County

Two Granite City boys were questioned by sheriff's deputies at Jerseyville in connection with the shooting down of a telephone cable in the Pere Marquette area near Grifton. It was reported today. No charges were filed. The sheriff's office said it appeared the boys were camping in the area at the time of the incident, "and just wanted to use their rifles." The guns were confiscated, "however."

Proximity of the Nike base to the site where the cable was damaged resulted in investigation by several agencies, including government agents, before it was learned the boys were responsible, sheriff's deputies said.

## Pfc Feeney Awarded Combat Infantry Badge

Pfc Thomas F. Feeney was awarded the Combat Infantryman Badge in Vietnam, 11th month. The 23-year-old soldier attended Granite City high school and entered the Army in August 1967. He was stationed at Fort Leonard Wood, Mo., prior to being sent to Vietnam in May of 1968.

His wife, Mrs. Pamela Feeney, lives at Kirkpatrick Homes, and his parents, Mr. and Mrs. John Bernsky, reside at 2812 Wayne avenue. He is presently assigned to the 5th Battalion, 7th Cavalry, 1st Cavalry Division (Airmobile).

Proposed tax levies include: County general purposes fund \$1,226,258; tuberculosis sanatorium, \$483,250; county highways, \$555,000; county bridge fund, \$350,000; audit, \$12,000; veterans assistance, \$15,555; Civil Defense, \$65,414.

## Progress Report On Coffee Shop

The October meeting of St. Elizabeth Hospital Auxiliary was held Monday evening in the Sisters dining room.

Mrs. Helen Bergfield presided and the members were brought up to date on the progress of the coffee shop expansion and other building programs at the hospital. A nominating committee was appointed to select new officers for the coming year.

The program was given by Mrs. Phyllis Branst, Mrs. Margaret Rehagen and Mrs.

Joan Terrell. It was on the "Three Arts"—music, art and poetry.

Refreshments were served in the coffee shop to a guest, Mrs. Ann Margulen, and the members by a committee composed of Mrs. Catherine Michel, Mrs. Nadine Meehan, Mrs. Elvira Thuber and Mrs. Frances Gruber. Twenty-eight were present.

### HORSEBACK RIDING BY SACRED HEART TROOP

Junior Girl Scout Troop 941, sponsored by the Sacred Heart Altar Society went horseback riding an enjoyed a cookout Monday afternoon.

The festivities were held at the Middlegate stables in Glen Carbon. The guide, Miss Judy Sheppard, led the members along a blazed trail. They stopped on the way back for a cookout over an open fire, where they roasted hot dogs and enjoyed hot chocolate.

Riders were Rita Ann Ahlers, Karen DeGonia, Kathy Evans, Carla Kay Hagnauer, Carla and Carol Jacobson, Susan McQuaide, Kathy Morrison, Roberta Mucho, Jean Pieper, Cheryl Shaus, Beth Squires and Tommy and Michael Morrison.

### RELAY GAMES ENJOYED BY BROWNIE TROOP 899

Two new members, Robin Beavins and Carla Evans, were welcomed into Brownie Troop 899 of the Webster school PTA, led by Mrs. Viara Schorffeld and Mrs. Anita Moody, at a weekly meeting Tuesday afternoon.

A special investiture ceremony was held for Renee Null, who was unable to be at the ceremony last week.

The girls made pumpkins from construction paper. These were filed with candy by the leaders as the girls departed for home.

A recreation period including several relay games was enjoyed on the school grounds.

Mrs. Schorffeld reminded the girls that they will make "sit-ups" at the meeting next week.

Answering roll call were Pamela Allen, Susan Bryson,

Favier, Carrie Gilbert, Joyce Kating, Karen Kunkel, Marci Logan, Sally Osborne and Vicki Stuart, who are working on the hospitality badge, prepared and served a beverage and cupcakes decorated in a Halloween theme.

A "seance" was held and Mrs. Kating announced that Carrie and Lisa Gilbert, who are working on the community safety badge, have toured the city hall. The meeting was dismissed with the troop singing "Taps."

Others present were Della Antoff, Denise Baker, Patty Barton, Sandra Batey, Mary Bessermann, Gayle and Gloria Garrison, Cindy Hinson, Donna Kating, Cheryl Kelly, Debbie Kieffer, Judy Leidner, Lorraine Miles, Carolyn Peebles, Cindy Rogers, Debbie Stroud, Laura Vickers, Debbie Wells and Linda, Cindy, Thelma, Scott, James and John Brandy.

### GIRL SCOUT TROOP 704 HOLDS HAIRYDE

In lieu of a regular meeting, Girl Scout Troop 704 of Webster school, with the leaders, Mrs. Mae Lee and Mrs. Shirley Tervasi, assembled at the school Monday afternoon.

A car pool had been arranged to take girls to the Grand State Park near East St. Louis for a hairyde.

Following the hairyde the members went to the Tervasi home, 245 East 27th street, for a masquerade party in observance of Halloween and the troop birthday.

The basement was decorated with black and orange crepe streamers, with skeletons suspended from the doors. A large cake adorned with a pumpkin face centered the serving table.

Later in the evening, several of the girls were presented with their year pins and each girl lighted a candle from the main taper and sang "Happy Birthday" in unison.

Refreshments of hot chocolate and decorated cupcakes were served to Mrs. Paula DePew, who assisted the leaders in the evening's festivities, and Mary Kay Chapline, Enid Cox, Tammy DePew, Denise Dickerson, Pam and Sharon Emring, Carole Griffin, Patty Harrington, Alexis Hozian, Patti Jones, Karol Lee, Vicki Little, Donna Long, Anita McGee, Mary North, Vicki Pulley, Teresa Rushing, Leisa Tervasi, Angela Thomas, Susan and Vickie Welty and Patty York.

New members present were Angela Johnson and Lisa Egan, followed by a social hour in the basement decorated to provide a "ghostly" atmosphere. Streamers of black and orange with black cats, skulls and skeletons carried out the Halloween theme.

Pumpkin-faced cupcakes and a beverage were served by Mrs. Shirley Bradford, Mrs. Guynet Benson and the leaders to those mentioned and Debbie Beatty, Barbara Bezley, Liz Bradford, Tammy Gelsinger, Kathy Hall, Kathy Henson, Cathy Keeney, Nikki Kelfer, Kathy Lawson, Vickie Sullivan, Karen Tietfort, Robin Williams and Jana Wilson. The leaders distributed permission slips for a tour of Southwestern Bell Telephone Co. facilities next week.

The girls played "treasure hunt" to find treats and bobbed for apples, followed by a social hour in the basement decorated to provide a "ghostly" atmosphere. Streamers of black and orange with black cats, skulls and skeletons carried out the Halloween theme.

of Ellsworth's mother and family, Mrs. Alva Elder of Lockport, Sunday and in the home of an aunt and uncle, Mr. and Mrs. Buddy Diney of Chicago, on Monday. They went on a sightseeing tour and viewed the Museum of Science, Lake Michigan and the "loop" in downtown Chicago.

Enroute home, they stopped again in Joliet and Lockport for the day.

TEA HONORS CHAIRMEN OF SPOOK CARNIVAL  
An appreciation tea was held at Webster school Monday afternoon, led by the president, Mrs. Mae Lee, for various chairmen of the recent PTA spook carnival. Mrs. Lee announced that the carnival was a success.

Reports were heard from booth chairmen, and a discussion was held on ways to improve the annual Halloween event.

Also on the agenda was announcement of winners in a Halloween poster contest which the PTA sponsors each year.

Winners are first place, Christine A. Hartley Davis, Stagg, Russell Wilson, Lloyd Sharp, Sheila Wallace, Dennis Turk, Sunny Rayburn, Debbie Weber, Ronald Cardin, Richard Price, Kevin Hartsock, Tammy Arnold, Pam Brown, Cindy Myatt, Karen Toland, Sandy Parks, Janet Foster, Betty Williams and John White.

Second place recipients are Ginger Castleton, Patrick Foster, Lisa Williams, Michael Frazier, Sally Hand, Mark J. Churchwell, Cheryl York, Kim White, Dennis DePew, Joyce Jones, Grant Dawson, Frank Camarata, Pam Emring, Dale Mills, Karol Lee, Vickie Welty, David McGee, Alan Melancon and McGee, Anne Antoff.

Judges for the contest were Mrs. Estelle McBrien and Mrs. Josephine Ross.

Refreshments were served by Mrs. Lee to Miss Elise Girard and Mesdames Carol Stepanek, Pat Turk, Paula DePew, Eva Arns and son Chris, Jeanne Brown, Valara Schorffeld, Marilyn Moss, Ruby Williams, Lucy Link, Allene Moore and Shirley Tervasi.

WILSON SCHOOL TROOP MASQUERADE PARTY  
A masquerade party was held Tuesday afternoon for members of Brownie Troop 480 of Wilson school under the leadership of Mrs. Frankie Keeney and Mrs. Pat Batey at the home of Mrs. Mary Bain, 2313 Terminal avenue.

Prizes were awarded to Marilyn Maynard, prettiest costume, Pam Roberts, most original, and Diane Barton, spookiest. Junior Scout Sandy Batey served as judge.

## Long-Range Plan, Camping Topics Of Scout Council

Camping plans for 1969 and long-range goals for the Cahokia Mound Boy Scout Council will be submitted for action by the council's executive board at its Nov. 27 meeting, it was announced last night at a board dinner held at the Granite City Army Depot.

Other pending business includes progress toward acquiring formal title to Camp Sunmen near Potosi, Mo., and scheduling of the next scout fair, the latter recommended for May 1970.

The 1968 scout fair was described as a success by Council Executive Eugene Coe and Dr. M. W. Grimm, council vice-president, who presided. Lt. Col. David V. Fox, chairman of the fair, and his vice-chairmen and committee chairmen were honored.

**New Building for Camp**  
Reporting for the camping committee, Col. Fox said construction is to be continued at the close of the summer camping season, and adult campmaster training is being arranged. A metal structure is to be erected at Camp Sunmen to enable the camp ranger to continue maintenance and repair work during the winter.

Plans to meet 1968 goals in scouting quality and quantity were outlined by the three district chairmen, William F. W. Winter of Uniwalk, Robert Simon of Illini and Floyd Linenfelder of Kickapoo.

Total council membership is 3797, including 1870 cubs, 1623 scouts and 304 explorers, with 153 scouting units. The Quad-Cities have 984 cubs in 35 packs, 897 scouts in 32 troops and 157 explorers in 17 posts.

**Annual District Dinner**  
Attention was called to the annual Uniwalk dinner at 6:30 p.m. Nov. 14 at St. Elizabeth Church, Granite City, with Ross Randolph, director of the Illinois Department of Public Safety, as guest speaker.

Spencer Allen will address the Illini dinner at 6:30 p.m. Nov. 7 at the Planning Plt., Edwardsville, and the Kickapoo dinner will be held at 6:30 p.m. Nov. 12 at the Greenville First Methodist Church.

Leo Schermer, David Morgan, John Solenberger, Thomas Hamlin, Rollin Kern and Dr. Grimm were named to the committee for the annual council meeting.

**Expedition, Jamboree**  
Solenberger said an explorer career day will be held Dec. 21 at SIUW and a "polar bear weekend" there Jan. 24-26, with an expedition to the Philmont scout ranch in New Mexico Aug. 2-18, the latter coordinated by Charles Rodell.

Dr. Grimm said applications are still being taken for the seventh annual jamboree next July at Farragut State Park in Idaho, and Fred Kaufen announced a cub leader "pow wow" Nov. 23 at Webster school in Collinsville.

Property insurance was reviewed and Commissioner William Shindell discussed unit service. Treasurer Albert St. Froemling said scout accounting procedures are being revised.

## George P. Lich, 47, Suffers Strokes, Dies

George P. Lich, 47, of 4945 Willow lane died at 9:30 a.m. Wednesday at St. Elizabeth Hospital where he had been a patient for one day. He had suffered a stroke at home and a second occurred after he entered the hospital.

A native of East St. Louis, he was employed as a bartender at Zamiat's tavern, Pontoon Beach.

Survivors include his wife, Mrs. Viola Lich; a daughter, Miss Paula Louise Lich, at home; a step-daughter, Mrs. Eva Cuvor of Granite City; a step-son, John Robert Ashcraft stationed in Athens, Greece, with the U.S. Army; a brother, Elmer Lich of East St. Louis; his parents, Mr. and Mrs. George (Bertha) Lich of Granite City and one grandchild.

Funeral arrangements are given in today's obituary column.

**Junior Memberships In Angus Association**  
W. Keith and Stephen Worley of Granite City have been notified they have been granted a junior membership in the American Angus Association of St. Joseph, Mo., by H. Dick Nobis, president.

The membership entitles the youths to register purebred Angus at regular membership rates and to the privileges of the association until the age of 21. At that time junior members are eligible to convert to lifetime memberships in the association. There were 179 young people in the United States to receive junior memberships last month.

we care

a lot  
of your  
neighbors  
have stopped  
baking pies!

Maybe it's because they discovered Jane Parker Pies... thousands have.

But...you say, "No thanks, there is nothing like a good home-baked pie." We agree...they're great."

But would you believe it if we told you our Jane Parker Pies taste home-baked? Probably not...until you've tried one.

Then you'd discover the crust is short and flaky like your own.

You'd discover the fruit is the kind you'd use... the best...juicy, not stiff with starch.

And if you popped a Jane Parker Pie into the oven and warmed it before serving, you'd discover a pie you'd be proud to call your own.

Are Jane Parker Pies a good reason for shopping A&P?

They're one of many.

## Eagles to Hold Canned Goods Banquet Nov. 20

The Granite City Eagles lodge will open its 23rd annual canned goods drive with a kickoff turkey dinner at 7 p.m. Nov. 20 at the Eagles home. A program with local and out-of-town speakers is being arranged by Andy St. Clair Shuppert, chairman of the banquet and canned goods drive. Tickets at \$2 each may be obtained from Shuppert, co-chairman Paul Lampe or at the Eagles club room. To get a fast start in the drive Shuppert urged all donors to bring their contributions to the banquet. He hopes this year's goal exceeds last year's record of more than 8000 cans. The canned goods will be contributed to the Salvation Army for distribution to the needy at Christmas.

### Marriage License

## 'Hot Sands' Ceremony Set at Ainal Temple

Illustrious Potentate Harold R. Mannie sr. announced today that more than 150 candidates will cross the "Hot Sands" of Ainal Temple, Nobles of the Mystic Shrine, on Saturday, starting with an 8 a.m. reporting time.

At the evening program of the Ceremonial Grand Knight Jack McDonald, and chairman Bob Maurer, Cahokia Knights of Columbus Council, which sponsored a charity dinner recently, will present a check to Ainal for \$300. This money will be used to transport burned children from the Ainal Jurisdiction to the Burns Center Hospital in Cincinnati, Ohio. Forrest Cresson, P.P., is director general of the Temple, and will be in charge of the plans for the day, and this includes a trip to the Shrine's St. Louis Crippled Childrens Hospital, St. Louis Unit, at noon. William Popkess is director in charge of the second section, assisted by Al Brainerd and Paul Sauger. Ainal Temple covers all of southern Illinois and has more than 8000 members.

## Weather, Too Much Work Stalls GC Street Projects

Resurfacing of streets under the Granite City special improvement program will be delayed until next spring, the council was advised in a letter Monday night from the contractor, MacIair Asphalt Co., East St. Louis.

E. L. Docter, vice-president of the firm, said the council's latest award of the contract, coupled with the firm's excessive work load and declining temperatures that prevent proper installation of the two one-inch layers of asphalt, caused the problem. The firm official said he had conferred with three other asphalt firms in the area, but they also had too much work to complete with the approach of the freezing weather to take the resurfacing here. He suggested the city wait until next spring for the projects.

Placed on File Alderman Poulos, whose Third Ward is to have the 2100 block of Benton street and a section of 18th street (from Cleveland blvd. to the railroad tracks) resurfaced, commented: "What can we do?" He called for the letter to be placed on file.

Last week Poulos criticized Mayor Parney for not signing the contract with MacIair. The mayor replied that he had refused to sign it because the contract did not specify a starting date.

A concerted effort to have utility poles removed from the sidewalks along the south section of Nameoki road was requested by Alderman Moerlein, who said he learned about a woman who fell into the street after bumping into a pole at East 24th street. He showed pictures of the location to the aldermen.

Moerlein said there was the same situation at the Palmer avenue intersection, where the pole is about 14 1/2 inches from the street, with only a six-inch clearance on the other side. Needs Formal Action He called for the city engineering staff to confer with the telephone company and also the state highway department. "This needs formal action," he said, "and I will be in front of a car. You know how traffic is along Nameoki road. It looks like this was a poor engineering job on the part of the state."

Basarich added that while contract was being made with the state highway department, a request should be made for removal of piles of dirt along Niedergaus avenue at the Army Depot gate where Federal Aid Route 151 is being built.

Alderman Johnson presented several reports from engineers of Research Planning & Design Associates, noting that several special improvement projects had exceeded estimates and budgeted amounts. The special projects listed were—the 26th street sidewalk from Adams to Center street, budgeted at \$550 and costing \$800; the Edgewood drive sidewalk from O'Hare to Willow avenue budgeted at \$600 and costing \$918, and the Edgewood sidewalk from Devon Hill lane to Johnson road, budgeted at \$900 and costing \$1076.

Engineering Fees Research Planning & Design Associates also submitted a bill for engineering services including the \$300 retainer for September, \$436 for the Idaho avenue curb project, \$270 for Braden avenue sidewalks, \$506 for the Center street curb.

project and \$144 for the East 25th street improvement. Alderman Johnson called for the bill to be referred to the aldermen in whose wards the projects were carried out before it is to be presented for council approval.

He added that another report from the engineers recommended the city include in the Johnson road motor fuel tax project the installation of retaining walls on property at four locations—3238 Westchester drive, 3234 Wobash avenue, 1900 Johnson road and 3227 Wayne avenue. Council approval was given.

Later in the meeting, a resolution was approved for transfer of \$2197 from the sales tax fund to the special improvement fund. Another resolution was presented at the request of the engineering firm of H. W. Lochner, Inc., for a change order on the storm water sewer construction project with an added cost of \$5969 at a sewer station.

No Explanation Mayor Parney said his secretary had taken the request and that he had no explanation, other than the contractor was running into problems at locations where the storm line intersect the water line from the canal to Granite City Steel's reservoir.

The resolution was placed on first reading, with instructions for the project engineer to provide an explanation. Alderman Moerlein pointed out that with such large change orders, the city project could cost more than the bond issue funds available.

Approved for the Granite City Trust & Savings Bank were 20-foot driveways to be installed in the 1800 block of Edison avenue for parking, a lot south of the Washington theatre.

Bids will be sought for razing a building on property at 2025 Fourteenth street. Alderman Moerlein said the small structure is leaning and could fall plant in a yard where three small children play.

The city's contractor for sidewalk installation, Thomas Skerle, has been advised of a complaint by Irene Hickam, 3201 Edgewood drive, that her workmen had hauled away dirt she had purchased for backfill. The council was advised that the dirt had been replaced.

## Nameoki Board Studies Plan For Drainage

Plans to secure estimates for installation of a 24-inch storm water sewer line along Lake drive and extending to Long Lake in Nameoki township were discussed by the Nameoki town board Tuesday night as a solution to surface water flooding problems in the Lake drive area.

The board received one estimate, but Supervisor Harry Briggs suggested that other prices be obtained. The job is expected to cost about \$550 and would call for installation of two catch basins in the drainage line. The installation would drain surface water from the Lake drive area into Long Lake.

Briggs also suggested that installation of the facility from Breckenridge lane to Long Lake also be considered before plans are finalized.

To Seek Sewer Grant Briggs informed the board members that an application for federal funds to aid in installation of a sewer system in State Park Place is being prepared. It is being filed with the Housing and Urban Development agency following receipt of a letter from the HUD agency indicating funds may be available for such projects in the near future.

In response to a letter from officials of Granite City School District 9, the board named Herbert E. Polley, board member, to represent the town board at a meeting Nov. 7 for a discussion of the \$4.7 million bond issue proposed for school building expansion. The school district asked that an official representing the township be present at the meeting. A special election on the bond issue proposal will be held Dec. 2.

Since the next regular meeting of the town board falls on Nov. 5—election day—the session was postponed until Tuesday, Nov. 12.

## Former Printer Here Leaves \$243,160 Estate

Constantine Evanoff, former printer for a foreign language newspaper in Granite City, died in an estate valued at \$243,160, according to an inventory filed Tuesday in probate court in St. Louis.

Evanoff, who came to the U. S. from Bulgaria as a youth, worked in a world war II munitions plant as a welder, and in 1945 he purchased a tavern in St. Louis which he operated until he died last Aug. 17.

He willed his estate to three children in equal shares. They are Miss Helen Grace Evanoff of St. Louis, with whom he made his home; Alexander Evanoff, assistant professor of English at Indiana University; and Stephen Evanoff of Edwardsville.

## Halloween Vandals Start Early. Windows Broken

Halloween vandalism jumped off to an early start this week throughout Granite City as 12 reports were made to police on Monday.

Most involved window breakage at homes and on vehicles while evidence appeared of windows being soaped and yards and streets being "teased."

Frank Parizon, 801 Niedringhaus avenue, reported that five tires were punctured, including three on his 1956 auto and two on a 1965 auto owned by John Veres, same address, while they were parked at his homes.

S. P. Zarlingo, 2850 Idaho avenue, reported that a brick was thrown through the front picture window of his home.

Windows, doors and metal strippings were damaged and windows were soaped at a home being constructed at Terrace and Janday lanes by the Jim Watts Construction Co.

George Carich, 2339 Zippie avenue, reported that aluminum roof ventilators were knocked out and damaged by a two-by-four at a house under construction at 3246 Kilarney drive.

Windows were broken by rocks at the homes of Mrs. Obie Beasley, 2887 Indiana avenue, and Kathryn Bamber, 3013 Marshall avenue. Mrs. Beasley heard an auto drive away.

A garbage can was used to break the living room screen and window at the home of James Rossmagel, 3214 Kilarney drive.

The rear window of a 1964 auto owned by James Todd, 2612 Delmar avenue, was broken while it was parked at his home.

The windshield and rear window were broken on a 1964 auto owned by Michael Elchert, 2632 Grand avenue, at 2909 Grand.

The front window at the home of Gilbert Wamsley, 3200 Erin drive, was broken, and Steve Kovar, 2113 Manley avenue, found two rocks near his front window which also was broken.

Mrs. Virgil Unger, 1628 Maple street, reported that five windows were broken out of her 1969 pickup truck while it was parked at her home.

S/Sgt. Kenneth Short Assigned in Vietnam Army S/Sgt. Kenneth W. Short, 24, husband of Mrs. Katherine Short, Trailer Side D, Granite City, has been assigned as a message center specialist with the First Field Artillery near Nha Trang, Vietnam.

He is the son of Mr. and Mrs. George W. Short of Warren, Mo.

JAMES E. MABERY Evangelist

## Revival Starts Sunday At First Christian

James E. Mabery of Chillicothe, Mo., will be the evangelist for a week-long revival, beginning Sunday at the First Christian Church, 2904 Maryville road, and continuing through Nov. 8.

Mabery began his evangelistic ministry over 15 years ago and has since traveled extensively throughout the United States and several foreign countries. In 1967, he traveled in Australia for a 30-day personal evangelism campaign. This year he has been in South Africa and old Mexico for similar campaigns.

Rev. James A. Grady, pastor of the church, is inviting the public to attend each of the evening services. They will begin at 7:30 p.m.

Norman Holsinger of the Holsinger Agency returned to his home in Collinsville Wednesday from St. Elizabeth Hospital where he was a patient for several days while undergoing tests.

Oil Furnace Explodes; False Alarm at GCHS

An oil furnace exploded at the home of Daniel Snyder, 1347 Edwardsville road, and the door was blown off at 3 a.m. Tuesday. Firemen estimated damage at \$20.

Firemen also were called to Granite City high school at 9:45 a.m. Tuesday when some one smelled fumes from a chemistry lab experiment filtering through the hall.

## Santa Claus Cabin To Be Placed Nov. 26

The rapid approach of the Christmas holiday season became more evident Monday evening when the annual request was received by the Granite City council for placement of the Santa Claus cabin in the downtown business district. Permission was given by the Downtown Granite City merchants' organization to place the cabin at Civic Park along Niedringhaus avenue on Nov. 26. It is to remain there through Jan. 2.

Paul Niebur, president of the downtown group, presented the request.

## GC Park District Opens Youth Bowling Program

The ninth annual fall and winter bowling programs for youngsters sponsored by the Granite City park district will start at 9 a.m. Saturday at the Brunswick Tri-Mor Lanes, Inc., 2340 Cardinal court, 2340 Delta avenue, 3000 Dale avenue, 2809 Birch avenue and at 3825 and 3909 Village lane.

Each year, the bowling program ends in late March with a mother-daughter and father-son tournament and banquet.

GC Fire Chief Seeks 6 Added Fire Hydrants

A request for installation of six fire hydrants was presented Monday night to Granite City council members who ordered a resolution prepared to instruct East St. Louis & Interurban Water Co. to do the job.

The locations requested by Fire Chief Earl Fronberger were—2300 Cardinal court, 2340 Delta avenue, 3000 Dale avenue, 2809 Birch avenue and at 3825 and 3909 Village lane.

## Political Parades Ok'd by Council

The nearness of next week's general election was noted during Monday night's Granite City council meeting when permits were awarded for two caravan parades and for a fund solicitation campaign—"Dollar for George Wallace."

The Granite City Democratic committee will stage its parade throughout the city on Monday, starting at 7:30 p.m. from the parking lot at Coolidge junior high.

On Saturday, a caravan of 25 to 30 cars will arrive in the city about noon to promote R. W. Griffith, Republican candidate for state's attorney.

The "Dollar for George Wallace" promotion is to be conducted on Friday and Saturday with volunteers working to have containers on business district street corners and at shopping centers.

On the non-political side, the council also approved tag days for the Granite City high school Band Parents Association to raise funds for the annual trip by the 100-member band in the spring. The tag days will be April 3, 4 and 5.

## Park District to Start Roller Skating Program

Starting next Tuesday afternoon and continuing each week through Feb. 25, the Granite City park district's fall and winter roller skating program will be held at Stopkotte's Roller Rink, 19th street and Cleveland Blvd., Harold Brown, park superintendent said today.

Sessions will take place each Tuesday from 4 to 5:30 p.m., except during the Christmas holidays—Dec. 24 and Dec. 31—the park official reported.

No admission will be charged, but children needing to rent skates must pay a 25-cent rental fee. The program is open to all third through ninth grade students who reside in the Granite City park district boundaries.

## 13 Events in SIU-SW Artist-Lecture Series

Thirteen events scheduled for Southern Illinois University-Southwestern's 1968-69 Artist-Lecture series have been announced by Prof. William J. Embloom of the humanities division, series chairman. The public is invited free to each event.

"We have a more ambitious program than in previous years," Embloom said. "I hope we have worked out a series which will be both enjoyable to

those who come and informative and culturally rewarding. The best kind of education is that which is fun."

The artist part of the series includes "American Hurrah," by playwright Jean-Claude van Itallie, on Nov. 12, first theatrical production to be presented in Meridian hall, in the University center.

On Nov. 19 the fine arts division is bringing van Itallie to the campus for a dialogue with his audience.

## Strolling Players

The Strolling Players with Swedish award-winning star Vivia Linfors will present

"You, Me and the World" on Feb. 1. Bhaskar and Shala, who have given command performances for Queen Elizabeth, will be on campus March 8 to present their "Dances of India."

For April 22, Madhur Jaffrey has been booked in "A Thousand and One Nights." Another award-winning actress, Miss Jaffrey has been called "The embodiment of India."

James DeLoache, artist, historian and lecturer, will be on campus April 28, 29 and 30 to give painting demonstrations and lecture on "Negro History through Art."

## Lecture Series

Lectures in the series include the appearance at 2:30 p.m. today of Reid Buckley, cultural and social critic, author and platform personality, who will speak on "The Rising Standard of Doubt."

On Nov. 7 Henry Margenau, professor of physics and Philosophy at Yale University, will lecture on "Esthetics and the Theory of Relativity." The following day he will speak on "The Philosophical Legacy of Quantum Theory."

Scheduled for Jan. 7 is Richard Schickel, film critic for Life magazine, who will talk on "The New Cinema: A Critical Evaluation."

Julian Bond, a member of the Georgian House of Representatives and first Negro to be nominated for vice-president of the United States, will be on campus Jan. 9 to ask the question "Where Do We Go From Here?"

Closing the series May 8 will be Carey McWilliams, editor of The Nation, the country's oldest weekly journal of opinion, who will speak on "Ethics in an Affluent Society."

Eleven faculty members and six students, including Erik Wiehardt of Granite City, comprise the Artist-Lecture series committee.

Recent appearances at SIU-SW of the Dostin Haitian Dance Co., Washington correspondent Margulis Childs and poet Donald Tindal were under the auspices of the series.

## Dancing Lessons for Members of Roca Club

The Roca Club held a business meeting this week followed by dancing lessons given by Roca Sweethearts and friends in the home of Sam Peters, 3001 Fehling road.

Those participating were Cheryl Brinkmeyer, Debbie Portell, Ruth Dink, Lynette Ward, Linda Fischer, Sherry Graham, Sue Lybarger, Lorraine Rant and Ben Henderson. During the evening, a discussion was held on the recent Roca Halloween Party, held in the home of Earl Parsons, the club advisor.

Entertainment was provided by Curt Koser and Ralph Thompson and Cheryl Brinkmeyer, Roca Sweetheart, presided at the refreshment table. Awards for the best costumes went to Tom Loman, Sally Jackson and Dave Evans.

The next social event of the club, will be a hayride on Saturday, Nov. 9.

## GCBS Leadership Club Workshop Set Saturday

The semi-annual workshop of the Advanced Leadership Club at Granite City high school will be held Saturday from 8 a.m. to 5 p.m. The money earned by the members will be used to finance a trip to Trout Lodge, Mo., next spring.

Denise West is workshop chairman and coordinator, and co-chairmen are Janice O'Dear and Sara Merkelbach. The food chairman is Ruth Noeth.

## GC Couple Returns after Two Years on Okinawa

Mr. and Mrs. Edward Stack, 2800 Lynch avenue, have just returned to their home following two years on Okinawa, where he worked with the 2nd Linguistic Command of Quality Control for the U. S. Army as a civilian employee and Mrs. Stack worked for several months as a civil service employee.

In recounting their two years overseas she said, "The language barrier was the most difficult to overcome, especially when shopping, but the island people were very friendly and cooperative."

They lived in a government housing area and had a banana tree in their backyard, which was not uncommon. Mrs. Stack commented, "The island was green the year-round and all types of flowers were in bloom at all times. Although the natives in the town areas lived in close quarters, the farm lands were well kept and provided a picturesque scene."

On the return trip home the Stack's stopped in Hawaii for four days to visit with friends. They were greeted on arriving home by Mrs. Stack's parents, Mr. and Mrs. William Schweiger, who make their home with them, their son-in-law and daughter, Mr. and Mrs. Ted Kampenga Jr. and children Theodore III and David from Joliet, Ill.

Their son and daughter-in-law, Mr. and Mrs. Robert Stack, who make their home in Madison, Wis., were here for the weekend but had to return as he is doing graduate work at the Wisconsin University in Madison and Mrs. Stack is employed in the school system of Madison as a teacher.

## Nedwin Tapp Singing At Local Functions

Nedwin Tapp, 15-year-old Granite City high school student who has been appearing before local groups as a semi-classical singer recently, entertained in Belleville on Wednesday evening.

A member of the Roca Club he also plays on the sophomore football team.

Tapp was a solo performer at the Granite City high school Spring Concert and recently provided the entertainment at the Business and Professional Women's annual fashion show, and has been engaged to sing at their June installation office.

On Wednesday evening he sang for a fashion show held at Fischer's restaurant in Belleville.

He is the son of Mrs. Mary Scarsdale and Ned Tapp both of Granite City.

## SIU to be Open to All Jr. College Transfers

The doors of Southern Illinois University always will be open to the state's junior college transfers and graduates, Carbondale campus Chancellor Robert MacVicar has told a statewide junior college conference in Rockford.

Speaking at a panel discussion featuring representatives of all state universities and the Federation of Independent Colleges and Universities, MacVicar said "there will continue to be space at SIU for junior college transfers because we expect they will have priority in terms of the university's programs and educational services."

"SIU is committed to the state master plan for higher education, and it is incumbent on us to provide for the junior college transfer student when he is ready to come."

## B&amp;PW Club Completes Observance Program

The Granite City Business & Professional Women's Club marked completion yesterday of a full week scheduled activities in observance of Business & Professional Women's Week.

The club reported yesterday that activities included the annual style show held at the Elks Club in Granite City to open the schedule on Sunday, Oct. 20, followed on Monday with a visit by club members to the regular Granite City council meeting in city hall.

On Oct. 22 the club toured the Special Services Center in Granite City, and the following day attended a meeting during the afternoon at which State Rep. Carl Klein of Chicago and William Bentley, Granite City attorney, spoke on the proposed \$1 billion state bond issue.

The schedule of activities also included a social event at which the Granite City club entertained B&PW members from other area clubs in the Madison Social Center. On Friday the club entertained Senior Citizens at Anchorage home with a program of games, community singing and other events, and on Saturday club members toured the orphanages at Maryville and Alton.

The Granite City Club is in District 11 which includes 12 other B&PW groups.

## Downtown White Way to Extend To Gate at Depot

Extension of the downtown white way system along Niderrhine avenue from Cleveland blue to the Army Depot gate was given initial approval during Monday night's meeting of the Granite City Council.

Alderman Steve Basarich said he had conferred with officials of Illinois Power Co. and learned that the added lights would cost the city \$164.58 a month. At his request, the council authorized preparation of a resolution to advise the power company to proceed with installation.

Basarich explained the company would remove nine 4000 lumen lights and 14 lights of 6000 lumen rating, and would install 67 lights of 20,000 lumen each.

"This should guide the travelers along Federal Aid Route 151 right to the downtown district," he added.

The alderman said concrete pouring has started on the roadway, he predicted it would be open to the Depot gate by the first of the year.

## Academic Award to be Presented at SIU-SW

Candidates for graduation at either the spring or summer commencement will be eligible to win the Southern Illinois University-Southwestern campus Foundation Award for Academic Excellence. The award is presented each spring at Honors' Day on the local campus.

The male and female seniors with the highest overall grade point average will win the award, provided a minimum of 96 quarter hours toward a degree has been earned and provided the students have filed an application for graduation.

The awards consist of a plaque and cash.

## 7000 School Teachers Developed in Vietnam

More than 7000 new elementary school teachers have been produced and thousands of educators have strengthened their training during the seven years Southern Illinois University mission members have been assisting directors of South Vietnamese normal colleges.

Arthur Altman, present chief of party who was home for consultations during most of October, talked about the program, inaugurated in 1961 under contract with the federal Agency for International Development, which has shown marked success during the ensuing period despite years of national conflict.

The past September the first class of normal college professors, educated in a year-long program established by SIU and conducted in the faculty of pedagogy of the University of Saigon, was graduated and assigned to the faculties of elementary teachers' colleges.

The SIU team consists of nine American and 15 Vietnamese employees. Chief emphasis of the SIU contract is improvement of curriculum, instruction, administrative procedures and teaching materials. Twenty-eight SIU persons are serving or have served in the project since 1961.

Altman, a Mattoon native, said 78% of the elementary school age children now attend primary schools compared with 40% six years ago. The Ministry of Education, he said, has set a goal of 85% by 1970.

## Medical Education Program at SIU Linked to Capital

by SUSAN STERN

Representatives of two Springfield hospitals and Southern Illinois University's board of trustees met Wednesday at Springfield with SIU Carbondale campus Chancellor Robert MacVicar to begin groundwork studies for SIU's newly-approved medical education program.

St. John's Hospital and will serve as clinical training centers for the SIU medical school. Pre-clinical training will be at the Carbondale campus. The program at SIU was recommended from the State Higher Board of Education after MacVicar proposed a system whereby existing buildings, facilities, resident physicians and staff would be used for the most part, eliminating the need for a brand new state medical campus.

SIU board members Harold Fischer of Granite City and Dr. Martin Van Brown of Carbondale were named by board chairman Kenneth Davis to work on the Joint Trustees Committee.

Committee members from St. John's are Mother M. Noel, mother superior of the Third Order of St. Francis; Sister M. Clavella, vice-president of the order; and George Bunn, president of Bunnamatic, Inc., of Springfield.

Serving from Springfield Memorial will be Robert Prather, vice-president of the Illinois National Bank of Springfield, and C. H. Lanphier of Lanphier & Co. Inc.

MacVicar said the group discussed general plans and problems and to draw the preliminary framework for a formal contract between SIU and the hospitals for providing clinical facilities.

A director for the clinical program will be hired later. SIU will ask the higher board to approve a request for planning funds to build a small library-classroom-laboratory facility to serve students in clinical training at Springfield. The board has recommended that SIU plan to produce 50 medical graduates a year after getting the program underway. MacVicar said 1976 will be the earliest date for the first graduation.

## Spaghetti Dinner Set By Vocal Music Dept.

## Negro Fellowship Interviews Set at SIU on Tuesday

Negro men who will graduate from Southern Illinois University at Carbondale next June will have an opportunity for interviews Tuesday that may lead to fellowships for graduate study in business.

Among the 97 business firms and governmental agencies that will send recruiting teams to SIU's Placement Services during the first two weeks of November is a Consortium for Graduate Study in Business for Negroes, a cooperative organization of four universities—Indiana University, University of Rochester, Washington University and the University of Wisconsin. Each candidate accepted will receive a \$2,000 fellowship plus free tuition.

Prospective graduates in all areas of the university and its Vocational Technical Institute are being sought by the recruiting companies and agencies, offering both technical and non-technical jobs. Liberal arts majors are listed by a substantial number of the agencies, engineering of all kinds are in heavy demand as are those trained in the various specialties of business and in the sciences.

Among the firms are some of the country's giants in oil, meat packing, corn products, communications, insurance, business machines, pharmaceuticals, stock brokerage, foods, steel, automotive production, tobacco, aircraft manufacture, mail order selling and beauty preparations.

Federal agencies which will hold interviews during this period include Air Force officer selection, Social Security Administration, Atomic Energy Commission, Department of Transportation, Bureau of Federal Credit Unions, Central Intelligence Agency, Public Health Service, General Accounting Office, Geological Survey, Army Corps of Engineers, Army Weapons Command and the Naval Audit Office.

## GAA Dinner Theme— 'Fractured Fairy Tales'

"Fractured Fairy Tales" is the theme selected for the pot luck dinner to be given by the senior high school GAA on Wednesday, Nov. 6, from 5 to 7:15 p.m. in the girls' gym.

The purpose of the dinner is to bring together the GAA clubs from Coolidge, Prather, Grigsby and high school for the first time this year. Each girl is to bring a covered dish.

Those serving on committees are Sandy Demery, invitations; Lynn Papes, hospitality; Debra Hordley, entertainment; Janis Brown, decorations; Connie Pryor, food; and Carla Webb, clean up.

The group plans to have a "mixer" in the gym before the dinner is served in the cafeteria. The group will then retire to the gym for games. Casual attire is recommended.

## Price Prepares Data On Loans, Scholarships

U. S. Rep. Melvin Price announced here today that he has prepared for distribution a free pamphlet detailing loan and scholarship programs available to high school seniors who plan to pursue their higher education in a college or university after graduation.

Price also announced that he will have another free pamphlet ready for distribution within the next four weeks outlining various private and public manpower training programs and employment services available for students who plan to enter the job market after their graduation or for adults who feel a need to sharpen their skills.

Price believes the brochures can be useful to students, teachers, administrators and counselors who must rationize the maze of programs that are now available for advancing education, skills and training.

The congressman requested that persons interested in obtaining copies of either pamphlet write to him locally at the Federal Building, 600 Missouri avenue, East St. Louis, or at the House of Representatives, Washington, D. C. 20515.

## Barbara Libby Attends Park Recreation Meet

Barbara Libby of Granite City, assistant recreational specialist at the University of Illinois, attended the 1968 Congress for Recreation and Parks held this month at Seattle, Wash. She is a 1961 graduate of Granite City high school.

The largest convention of its kind in the U. S., the Congress attracted about 300 persons concerned with the many aspects of parks; recreation and conservation. The five-day meeting was sponsored by the National Recreation and Park Association under the theme "Crisis, Challenge, Change."

## Debate Developing Over 2nd Scroggins-Griffith Debate

"To debate or not to debate" was the question occupying the two Madison county state's attorney candidates as their rival campaigns entered the final week before the Nov. 5 election.

Leon G. Scroggins (D), the incumbent, alleged Tuesday that Griffith is reluctant to repeat their debate held Oct. 22 at Edwardsville. He likened it to the Nixon unwillingness to debate Humphrey and Wallace in the presidential campaign.

R. W. Griffith Jr. (R), Alton, charged that Scroggins had broken a promise to arrange for a debate at a union hall or other meeting place in Granite City. He said he will be glad to debate in Alton if a debate is held prior to it in Granite City.

Scroggins' view is that "a series of three debates had been tentatively agreed to by the candidates, covering the areas of Edwardsville, Alton and Granite City."

He says his campaign staff arranged for a debate Oct. 29 before the Alton Kiwanis club, of which Griffith is a member. He adds that a campaign assistant was then notified by Griffith aide that "they could not debate in Alton on the 29th and would refuse to participate in any further debates."

### Test of First Debate?

Scroggins comments: "The true test of the first debate must be my opponent's refusal to participate in any further debates. Evidently, Griffith is adopting the policy of the Republican presidential candidate that 'it is better not to tell the public what type of programs you propose, but rather let the voters guess the programs for the next four years.'"

"I am willing to assert my position on the issues involved in the campaign at any time and any place."

Griffith labels the statement a "distortion" and asserts that Scroggins violated the original agreement, witnessed by a newspaper reporter, that debates would take place in "Edwardsville, Wood River and Granite City."

The Republican nominee says, "Scroggins has failed to honor this agreement. He has never set up a debate in Granite City, and we still want it."

Griffith's stand is that while he is happy to discuss campaign issues before service club members he feels it also is important that working men hear the candidates and that one of the debates be held in Granite City, where a large portion of the votes will be cast.

"We'll be glad to debate in Alton if he first lives up to the agreement to debate in Granite City," Griffith concludes.

**Man Faces Four Charges**

Blackie Roy Ward, 57, of Hayti, Mo., was arrested at 6:10 p.m. Monday in the 1700 block of Cleveland blvd. on police charges of aggravated battery, disorderly conduct, intoxication and having no firearm owner's identification card.

AMERICAN CANCER SOCIETY leaders from Madison county who attended the annual meeting of the Illinois division of the society recently in Chicago. They are, left to right—Dr. B. A. Donnelly of Alton, county board president and professional delegate; Mrs. Joseph Glassey of Alton, board delegate; and Mrs. Harriet Horn, 3301 Bradley avenue, county service chairman and board delegate.

### Local Church Delegates

To Attend Session

Local churchmen who are to attend the 50th annual meeting of the Illinois South Churchmen's Federation are Arnold Arbogast and Theodore Davis, delegates from St. Peter United Church of Christ, and Richard Bauer, Howard Vailow and Harold Reutzel from St. John United Church of Christ.

The meeting is to be held on Sunday at the United Church of Christ, 903 North Second street, Edwardsville.

Registration will begin at 2:15 p.m. and the speaker for the afternoon will be Dr. John Becker of SIU, Carbondale. A 4 p.m. business meeting is planned with a banquet at 5:30. Ken Daust, head of the speaker bureau of the St. Louis baseball Cardinals, will serve as banquet speaker.

The 1968 Churchmen's Fellowship project is The Can Ranh City Christian Orphanage, and a gift will be presented to William R. Pelster, national president of the United Church of Christ Churchmen's Fellowship, from the Illinois South Churchmen's Fellowship.

The area project for the Fellowship was to build a staff building at the DuBois Center, DuBois, Ill., at a cost of \$14,000. Co-chairmen for this project were Rev. Fred Fisker, Richard Shrumpt and Udell Welhing.

An election of officers will be held with a nominating committee headed by Arthur Wetzel presenting names for president and vice-president to the membership.

## Widows, Wives of Vets Eligible for Benefits

Veterans Administration education and training benefits are available to widows of men who died and wives of veterans totally and permanently disabled as the result of military service.

About 15,000 widows and wives in Illinois could benefit from Public Law 90-63 which becomes effective Dec. 1, according to John B. Naser, manager of VA's regional office in Chicago.

The law extends to them the same VA educational assistance now available to sons and daughters of veterans who died or are permanently disabled.

Payments will range from \$130 a month for full-time training (up to a maximum of 36 months) to \$55 for three-quarters time training and \$80 for a half-time training.

The new law also gives veterans separated from service after Jan. 1, 1955, one and a half months of education and training entitlement under the current post-Korean GI Bill for each month of military service after Jan. 31, 1955. The previous ratio was one month of

— TO THE VOTERS —

... We believe that sound economic growth can be generated only by sound money and avoidance of inflationary deficits.  
... We believe in equal rights and equal justice for all regardless of race, creed or color.  
... We believe our mission is to win on merit as we represent all segments of the population—and an average group but as part of the whole with equal but never superior claims on the progress we can generate.  
... Finally, we believe that only through the Republican Party these ideals become active and successful principles of government.

## Home Notes

By Mrs. Catherine R. Mauck  
Madison County Home Adviser,  
Home Economics Extension  
University of Illinois

### Breakfast for Fitness

The first step to a sound diet comes at the beginning of the day with breakfast planned for extra vitality. And most of the responsibility for instilling good food habits in a family rests with the homemaker.

Geraldine Acker, University of Illinois Extension specialist, suggests that you start today to serve appetizing, well-balanced breakfasts.

Eating an adequate breakfast pays off. Research has shown that children who eat breakfast do better in school, per-

form physical tasks better and are less irritable and emotionally unstable than children who do not eat breakfast.

Research has also shown factory workers to be more alert, efficient and fatigue-resistant when they have eaten breakfast than when they have not.

A basic breakfast plan of fruits or juice, cereal, milk, bread and eggs includes all four of the basic food groups. You can vary the menu by using different kinds or forms of fruits, cereal and bread and by changing the method of cooking the eggs or by adding a breakfast meat occasionally.

Although variety in the breakfast menu is desirable, most of us want familiar foods that do not require too great an adjustment in our eating habits.

Sunday breakfast may be a special occasion for which the weekday plan is changed, the method of service is different and the hour is fitted in with the day's schedule.

With a little planning, you can make breakfast an appealing, enjoyable and nutritious meal.

## Honor Roll at Hospital

# Plaque Dedicated to Vietnam Victims

About 35 people attended the brief, yet impressive, plaque unveiling and dedication ceremony Monday afternoon at St. Elizabeth Hospital, which commemorated the loss of 23 young Quad-Cityans who have died for their country as a result of the war in Vietnam.

The bronze memorial plaque was unveiled by the donor, Joseph Glik, president of Glik's Department Stores and a member of the St. Elizabeth Lay Advisory Board. The plaque was presented in memory of his father, the late Morris Glik.

In addition, Glik is arranging

to establish a continuing memorial fund for the deceased local servicemen with contributions to be used to furnish the proposed intensive care unit in the new wing to be built at the hospital.

Severely injured families of the servicemen were represented at the dedication, which took place in the hospital lobby.

Also participating in the brief program were Sister Mary James Thomas, hospital administrator; Austin Witter, president of the advisory board; and Lyle F. Guiley, president of Granite City Steel Co. and a member of St. Elizabeth's governing board.

Servicemen whose names appear on the plaque include: Marine Pfc William L. McFarland, 19, killed Sept. 22, 1968, at Da Nang; Marine Cpl. ## Farm Column

### Squeeze on Grain Producers

Lower prices for land and lower rents may result from the present squeeze on grain producers, believes Tom A. Hieronymus, University of Illinois Professor of Farm Marketing.

He says grain farmers are beginning to wonder where grain agriculture is headed. For many of them 1966 was an unfavorable year. In 1967, harvestable conditions and prices put great financial stress on them. And now in 1968 the summer price of corn has been 50 cents less than in the summer of 1966, and large crops point to prices tied to government loan rates and mounting inventories.

On the other hand, livestock prices are generally 10% over the 1967-68 levels and, by historical standards, feeding ratios are favorable.

There are three dimensions to the grain farmer's problems: size of market, improved technology, and government, states Hieronymus.

The size of the market is increasingly moderately. Domestic consumers are prosperous and are eating the kind of food they want, which is the kind that requires more feed. Exports are large and expanding.

Technology in production is improving rapidly. We do not seem to be approaching an upper limit on yields. Improvement in technology at a rate faster than the increase in market size exerts great downward pressure on price.

Only government expenditures stand between grain producers and still lower prices, says Hieronymus. These expenditures for the last 10 to 15 years have amounted to about \$1.6 billion per year for export programs and about \$2.5 billion per year for land rental in various forms. It is unrealistic to expect these to increase. In fact, agriculture will do well to hold its own in an increasingly urban country with many budgetary pressures.

Some foreign chemicals go back into solution after moderate warming and agitation. But ineffective control may result from using chemicals that were frozen during the winter.

"Be especially careful if you must store chemicals in your basement. If a container should break or leak, it could vaporize and spread fumes throughout the house," Bundy emphasized.

"Eliminate chemical storage problems by closely estimating the amount of each chemical you'll need. Then buy that amount, so you don't have chemicals to carry over the winter."

His wife, Billy, is the daughter of Mr. and Mrs. Denver G. Goodwin of 2316 State street.

Federal Service Exam Saturday at SIU-SW

A federal service entrance examination will be held Saturday at Southern Illinois University-Southwestern campus. It will be conducted by the U. S. Civil Service Commission, beginning at 9 a.m. in Room 0312 of the Peck building.

The two-hour examination for careers in the federal government is designed primarily for liberal arts and business majors.

Seniors and graduate students are eligible to take the examination. No advance application is necessary. Additional information and sample questions can be secured from the SIU-SW placement office.

## Local Chaplain Attends Conference in Vietnam

Chaplain (Major) James E. Townsend, son of Mrs. Jesse Clements of 2316 State street, recently attended a Seventh Air Force Chaplain's Conference at Phan Rang AB, Vietnam.

The conference enabled Chaplain Townsend to talk to other chaplains in Vietnam and to share their ideas on the various chapel programs and to benefit from each other's experiences.

Chaplain Townsend is currently assigned to the 360th Combat Support Group at Da Nang AB, Vietnam.

A graduate of Granite City high school, he received his A.B. degree in religion from McKendree College, Lebanon, Ill., and his B.D. degree from Colgate-Rochester Divinity School, Rochester, N. Y.

His wife, Billy, is the daughter of Mr. and Mrs. Denver G. Goodwin of 2316 State street.

## Madison Man to Vote for First Time in 15 Years

Burley Bevil, who resides at 1529 Second street and has been invalid for the past 15 years, is setting an example for the qualified voters who fail to go to the polls in a national election and have no valid reason for staying at home.

At the age of 84 he has renewed his interest in the political field, following two major operations, that have improved his health considerably.

The first operation for a brain tumor was performed 15 years ago and just two years ago he underwent another operation for a different condition.

Unable to speak with Mr. Bevil by phone his wife told the Press-Record, "We are dedicated Democrats and plan to vote a straight ticket, as we have in the past." They are now waiting for their doctor's certificate declaring Mr. Bevil physically unable to travel to the polls, so he can obtain an absentee ballot.

Prior to his retirement, Mr. Bevil was employed as a conductor for the Illinois Terminal railroad.

## College Official Will Attend 3-Day Seminar

Frank G. Adams, chairman of the Social Science Division at Lake Land College, Mattoon, Ill., will attend a three-day seminar at St. Louis University Nov. 11 to 13. The seminar is designed for the role of department chairmen in higher education.

He is the son of Ralph Adams, 2904 Cayuga street, and attended local schools. He received his A.B. degree from McKendree College, Lebanon, and a Masters degree in history from Eastern Illinois University, Charleston.

## Institute of Planners To Meet at SIU-SW Nov. 8

The American Institute of Planners will hold a section meeting Nov. 8 at Southern Illinois University - Southwest campus.

Carl Lossau, faculty member at SIU-SW and chairman for the Central Illinois Section for the professional group, has announced the agenda for the day-long program.

Featured will be an afternoon panel presentation: "The White Professional in the Negro Community" and an evening speech by Fred Teer, director of the Model Cities project in East St. Louis. The panel will be made up of persons working in the urban community of East St. Louis.

Personnel on the panel include: Louis Moore, researcher for concentrated employment program; Will McGaughey Jr., director of citizen participation, East St. Louis; George Washington, administrative assistant to the mayor of East St. Louis; and George Mendelson, SIU faculty member who is serving as chief planner for the Model Cities Agency in that city.

Coshosting the meeting with SIU-SW are the East-West Gateway Coordinating Council and the Southwestern Illinois Metropolitan Planning Agency.

Two technical sessions are scheduled in the morning. All day-time programs are being held in the Illinois Room of the SIU-SW University Center. The evening dinner meeting and speech by Teer will be at the Flaming Pit Restaurant on Highway 159, Edwardsville.

The technique sessions open the day program at 8:30 a.m. Richard Guffy, SIU-SW faculty member, will demonstrate a scribbling technique and also a computer program used for mapping and data retrieval. Another technique session is planned for the morning session.

John Quinn, of the Carbondale city planning staff, will present a slide lecture, "Easy on Signs" prepared by the Greater Egypt Regional Planning Agency, the Carbondale Planning Agency and the School for Design, SIU Carbondale.

Besides Lossau, the officers of this section include: Vice Director Eric Freund, University of Illinois; and Secretary-Treasurer Dominic Giacomini, Illinois Division of Highways.

The American Institute of Planners is a national professional society devoted to the study and advancement of the art and science of city, regional, state and national planning. The Central Illinois Section includes all of Illinois, with the exception of the Chicago metropolitan area.

## Robinson Campaigns In Area for Humphrey

Former major league baseball player, Jackie Robinson, was in the local area yesterday, speaking before several groups, including students at Southern Illinois University-Southwestern campus, on behalf of Democratic presidential candidate, Vice-President Hubert H. Humphrey.

A member of the National Baseball Hall of Fame, the former Brooklyn Dodger was the first Negro ballplayer to perform with a major league club. Since retiring, he has devoted most of his time to working with youth groups.

Robinson was accompanied by Donald Agger, Assistant Secretary of the Treasury, and Ernie McMillan, starting offensive tackle for the St. Louis Cardinals, who is employed by A. O. Smith Corp. in Granite City, during the off-season.

The trio was joined last night for a rally at Central junior high school in Alton, by Vice-President Humphrey's son and daughter-in-law, Skip and Lee Humphrey.

Earlier, the former major leaguer held at press conference at East St. Louis Holiday Inn; attended a rally at Lincoln high school at East St. Louis; and toured several East St. Louis neighborhoods.

Robinson spoke with SIU-SW students in the Student Activities Center, before the motorcade departed for the Alton rally about 8 p.m. yesterday. The final stopover took place after 10:30 last night at a school in Brooklyn.

Attorney Terry Francis of Granite City played a major role in coordinating the campaign trip through the area.

## Kiwanis Hear Talk On Viet Cong Weapons

Capt John Mulkey Jr., Fifth U.S. Army, Fort Sheridan, Ill., was the guest speaker Monday evening at the Granite City Kiwanis Club meeting. The dinner session was held at the Rose Bowl.

His topic was on Vietnam, and he showed colored slides of captured Viet Cong weapons, which in the captain's opinion were superior. The weapons had been made in Red China.

Capt. Mulkey, who spent a year in Vietnam as the commanding officer of Co. D, 554 Engr. Bn., said he felt the natives are appreciative of the American soldiers being there and he also believes the south Vietnamese soldiers are now carrying the brunt of the battles.

Sixteen Kiwanis members attended the dinner meeting, and following the program, Michael Tondus, president, announced the next meeting on Nov. 4 will be a business session.

He also told the group that eight couples would attend the fellowship meeting for Kiwanis District 14 on Tuesday evening at the SIU-SW campus.

## Industrial Group Sets Fall Conference Nov. 20

The Industrial Relations Club of Greater St. Louis will hold a fall conference Nov. 20, starting at 8 a.m., at the Bel Air East motel, St. Louis. The theme will be "Manpower Planning and Decision Making."

Nationally known authorities will speak and later hold workshop sessions. Members of senior management, personnel and industrial relations directors and executives of metropolitan area firms are invited.

## Underwater Christmas Likely for GC Sailor

A member of a U. S. Army Military Police unit in Vietnam which regularly entertains the orphans of South Vietnamese servicemen who live in a nearby village; a former Press-Record newsboy, now serving with the Naval Air Service in California; and a Granite City youth who will probably spend the Christmas holidays beneath the ocean, are among the Quad-City military personnel listed in today's "Yule Mail Call."

More than likely, Christmas Day will be celebrated with turkey and all the trimmings by Submarine Robert S. Keel. However, the atmosphere won't be quite the same, as the young Granite City sailor expects to be "40 fathoms down" beneath the Atlantic or the Mediterranean by the time the Yule holiday rolls around.

A son of Mr. and Mrs. James Lee Keel, 2222 Logan street, the submariner was in boat camp last Christmas and received many cards and letters from friends at home, according to his mother.

**Former Paper Boy**  
Richard Woods, 431 Lincoln avenue, Venice, wrote the news paper. "Please print my son's address in your 'Yule Mail Call' list. He is a former Press-Record delivery boy from Venice."

at LeMoore Naval Air Station in California.

One of the most heart-warming stories to come from Vietnam, was recently published in the Press-Record, involving members of the 532nd Military Police Company, which just a short time ago initiated "Big Brother" parties for orphaned Vietnamese children.

The youngsters, ranging in age from three to ten years, live in Ku Gia Vien, a village close to the MP's headquarters at Long Binh. Often called "Widows Village," the small concentration of crowded huts provides a refuge for the families of South Vietnam troops who have been killed by the Viet Cong.

**Roving Gun Jeeps**

The soldier is a 1966 graduate of Granite City high school and attended SIU-SW before entering the Army on March 29. He arrived in Vietnam on Aug. 23.

Individuals and church, social and service groups are invited to submit the names and addresses of Quad-City servicemen or women to the third annual "Yule Mail Call" project. Readers are invited to clip-out the lists as they appear, adding the names of the military personnel to their regular Christmas mailing lists.

To ensure accuracy, the names, serial numbers and full addresses and APO and FPO numbers when applicable should be written on a postal card, letter or slip of paper and brought or mailed to the Press-Record office, 1827 S. Delmar avenue. In the event verification of complex unit abbreviations is necessary, those submitting the name are asked to identify themselves.

If the area of service is included, it will appear immediately following the regular address.

## Wounded GC Marine To Return to Vietnam

A young Granite City Marine who was seriously wounded Jan. 28 during the surprise Viet Cong attack on Da Nang, is home on leave and shortly will be heading for two jima and a second tour of combat duty in Vietnam.

Marine Lance Corporal Gary L. Skaggs, son of Mrs. Gladys Skaggs, 2713 Washington avenue, a cafeteria employee at Granite City high school, arrived home on furlough last week and will remain here until Nov. 7 when he leaves for Camp Pendleton, Calif.

Following a three-week stay at Pendleton, he will go to two jima for a four-month hitch and then on to Vietnam for six months duty.

L/Cpl. Skaggs was wounded by sniper fire from attacking Viet Cong forces in a paddy field near Da Nang. Most men in his platoon were wounded or killed in the action. The Marine was 18 and had been in Vietnam about three months when wounded.

The serviceman was briefly hospitalized in the Philippines, airlifted to Scott Air Force Base, Belleville, and transferred to the naval hospital at Great Lakes, Ill., where he remained confined until July.

"He feels fine, but we hate to see him go back again," his mother commented this week.

## Press-Record's ... Yule Mail Call (Clip and Save)

Quad-City servicemen and women stationed around the world, whose names and addresses are being published in each issue of the Press-Record as a special pre-Christmas public service. It is suggested that readers clip-out and retain the lists as they appear.

Local residents are invited to include the servicemen on their Christmas mailing list and send greeting cards, letters or packages, thereby helping to brighten the coming holiday season for military personnel who are away from their homes and families. Early mailing is recommended.

Andrew Ratkewicz of Madison is among the nineteen students from St. Benedict's College, Atchison, Kansas, who will be listed in the 1968-69 edition of "Who's Who Among Students in American Universities and Colleges." It was announced today by Dr. Richard W. Ames, dean.

Ratkewicz is a son of Mr. and Mrs. Anthony Ratkewicz of 1608 15th street, Madison.

A 1965 graduate of Assumption high school, East St. Louis, he is now a senior, majoring in mathematics. He now serves as this year's Social Committee chairman, after acting as student government vice-president last year. He holds a 2.50 grade point average.

## Bill by Cong. Price Aids Veterans Wives

Veterans legislation introduced in Congress by Cong. Melvin Price (D-East St. Louis) has been signed into law by President Johnson, according to an announcement this week by Cong. Price's East St. Louis office.

Since Price has been campaigning in the Madison-St. Clair county area, he was unable to be in Washington for the Presidential signature ceremonies.

The Price bill extends veteran educational benefits to the widows of veterans who died of service-connected causes and to wives of veterans with service-connected total disability. The women become eligible for 36 months of educational assistance.

## Five GC Candidates Initiated Into K.C.'s

Five Granite City candidates were initiated into the first degree of the Knights of Columbus in district-wide ceremonies conducted Monday night at the Edwardsville K. of C. hall.

They are Michael Modrusic, Paul Smith, Harry Serfas Jr., John Jakich and Carl Buehler. They were accompanied by Michael Schuler, grand knight; Albert Sanders, past grand knight; M. R. Mink, John Straubinger, Robert McCormick and M. E. Bartosik.

The class was composed of 16 candidates from the Edwardsville, Highland, Collinsville and Tri-Cities councils. The Edwardsville degree team conducted the ritual. The degree will be repeated at the local council on Nov. 14 prior to conferral of the second and third degrees of the order to be held here Nov. 24.

## Square Dancers Autumn Round Up Sunday at SIU-SW

Square dance enthusiasts and interested spectators are invited to attend the free "Autumn Round Up" contemporary square dancing exhibition scheduled for Sunday from 2-5 p.m. in the University Center Grand Ballroom of Southern Illinois University - Southwest campus.

The Square-About's Square Dance Club, sponsored by the University, is presenting the show. Area men who will exhibit their talent as callers are Ben Aubuchon, Orville Clayton, Sparky Sparks, Paul Wright, Joe Obal, and Brez Graham.

Mrs. Myrna Lee Martin, instructor of physical education and dance at the University, is faculty sponsor of the group. She said that contemporary square dancing is an advanced type of dancing and that spectators are welcome to attend the free show and "see the delightful array of colors and tap their feet to a swinging beat."

"The intricate steps are really a mind-expanding activity," said Mrs. Martin.

### Rotary Inducts 3 New Members

Warren Decatur, president of the Granite City Rotary Club conducted a formal induction for three new members Tuesday at the noon luncheon meeting in the YMCA.

The new members are Donald Adams of Granite City Glass Co.; Wayne Shelton, manager of Home Nursery, and Oscar Great-house, of the Metropolitan Life Insurance Co. Following the ceremony each of the new members was required to give a resume of his life, families and hobbies.

Decatur, in his welcoming address, told the men they were joining a club with membership around the world. Rotary began in 1905 in Chicago. He said local club participates in projects for the betterment of the community and in the past years has contributed \$35,000 in community projects.

Harold Baumann gave a final tabulation of the recent Modern Living Show, stating the profit was \$325.

Announcements made by Decatur included a date of Nov. 19 for a club assembly meeting, which the District Governor Hobart Blair will attend at the YMCA. All committees are to make program reports at this time.

A board meeting will be conducted on Nov. 14 at noon at the Rose Bowl and a special meeting of committee chairmen will be held on Nov. 21 at 7:30 p.m. at the Illinois Power Co. offices.

### White Oak Seedlings Available to Farmers

The Illinois cooperative industry has begun a program aimed at increasing the supply of white oak in the state.

This tree is second in value to black walnut and is essential for the production of tight cooperage, barrels capable of holding liquids. The quantity and quality of the once abundant white oak is diminishing. Most of the trees are grown on private lands and the cooperage industry is deeply concerned over the impending shortage.

The industry plans to cooperate with the Division of Forestry of the Illinois Department of Conservation in two ways. One is by collecting seed for the state tree nurseries which require about 400,000 white oak acorns a year. State, military, civic groups and youth organizations such as the Boy Scouts will aid in the collections.

Landowners who plant white oaks will receive financial assistance. To cooperate in this phase of the program, a landowner must contact a farm forester of the Department of Conservation to determine if the area where the trees are to be planted is suitable. Not less than 500 nor more than 500 seedlings may be planted on one farm.

A landowner who qualifies may order the white oak seedlings required for his area from the Division of Forestry at no charge, although the applicant must pay shipping costs. The trees will be paid for by a distillery in Peoria.

Farmers who are interested in producing white oak on their land may contact their farm forester or county conservation agencies, such as the Soil Conservation Service or Extension Service, for more information.

### Hockey Trips Continue; 180 to Attend Ice Show

One ticket remains for Saturday night's pro hockey trip to the St. Louis Blues-Minnesota North Stars game at the St. Louis Arena, Granite City Supt. of Parks Harold E. Brown said today.

The park official also announced that 180 people will attend the 1969 "Ice Follies" at the Arena, Thursday, Nov. 7, also under the auspices of the local park district. Four buses will be available to transport residents to the Ice Follies show, he said.

The 44 persons with tickets for the park-sponsored pro hockey excursion will depart at 8:30 p.m. Saturday from the Wilson Park ice rink parking area. The Blues-North Stars game will be the third of 14 scheduled trips planned by the park district during the 1968-69 hockey season.

Tickets priced at \$2.50 per person, include round-trip transportation to the Arena, Brown said. He noted that reservations for several of the remaining games are "going quickly," and advised anyone interested in attending future Blues contests through the park program to make reservations immediately by calling the Wilson Park office at 877-2059.

Forty-five seats are available to local fans for each pro hockey trip, Brown said.

### WALLACE LAW, ORDER WOULD BE POLICE STATE

To the Editor:

In a place of political literature found in my mailbox, a candidate for state's attorney in Madison county puts the question: "Do you want law and order in Madison county?"

This is a good question, for if we have law and order in Madison county, or Granite City, or any other county or city in our state, it must begin with the maintenance by the law enforcement agencies of that law.

Only in major outbreaks of violence that go beyond the ability of the local constabulary, they may appeal to their governor to send in state troops to help them restore order.

In case of insurrection or similar disorders that go beyond the ability of the state's constabulary to quell, the governor may request the president to send federal troops to help put down such uprisings.

These are the features for keeping the peace and on which law enforcing agencies of our nation are founded—the local "self government" of our cities and counties.

Because there has been such an increase in crime over our nation, it has been made a serious issue in our presidential election.

George Wallace, the third-party candidate, and to a lesser degree, Richard Nixon, the Republican candidate, have charged that the Democratic administration now in power is responsible for all the crime in our country.

Wallace has promised that, if elected, he personally will put down crime and restore law and order forthwith all over our nation.

But Wallace, who has sworn duty elected, would have no constitutional authority to take upon himself any such power or do many of the other things he has promised.

If he or any other president had any such power, we would be living in a "police state," which I feel sure his most ardent supporters would not like very much.

How can we have law and order in the U. S.? By better policing of its political subdivisions by its own local constabulary under our own constitutional system.

This we can do by strengthening the hands of our local police officers, by better training for their jobs and better equipment to do their jobs with—such as the Democratic candidate for president, Vice-President Hubert Humphrey, has proposed.

None of the other candidates has offered any such specific suggestion for federal aid to help police attain the efficiency to maintain law and order under our constitutional system.

Most of the things which Wallace has promised go beyond his constitutional power to perform, even if elected.

Sure, every good citizen wants law and order in our nation. But Wallace, like politicians that he is, preaches his whole campaign on the backwash from crime in the streets, riots, and demonstrations.

He preys upon the emotions of his followers without reasoning, and would lead them down a dead-end street.

Wallace cannot and will not be elected president. Presidents are elected by electoral votes, not by popular votes, and all the electoral votes he will be able to garner will be in the deep south.

What Wallace may do is to get enough popular votes in other states to prevent either candidate of the two major parties from receiving a clear majority of electoral votes, in which case the election of our president falls to the newly elected Congress where anything may happen.

Each state would have an equal vote. The smallest and least populous would be equal with the largest and most populous, and a period of chaos and confusion would surely follow.

Only then, I suppose, would those who have failed under the spell of George Wallace wake up and realize what a national crisis and near-catastrophe our three-headed system they have provided for this demagogue have voted.

ship. According to his theory of the way the country should be run, they have failed.

If you will look at his record, it is easy to see that he has never in his past made one constructive move for the common people. For instance, he bitterly fought Medicare.

At one time several years back I recall he tried to get a right-to-work law passed in California, his home state.

When it went down to a crushing defeat at the polls, he shut up like a clamshell for organized labor in California made it so hot for him at that time that his shirt almost went up in a blaze.

He has favored the notorious Taft-Hartley Law and the Landrum-Griffin Bill. Everyone well knows that these are aimed at the labor union.

I do not recall any move that Dick Nixon ever made for the working man or the poor.

At present, all he does is criticize and find fault with the Democratic party.

He reminds me of an old proverb I have heard: "Any mule can kick down a barn door but it takes a carpenter to build one."

One question I would like to ask Nixon: Why, if he is such a wise and good man for the country, does he not organize labor endorse him, either now or in the past?

All of us well know that organized labor is the mouthpiece for the common man.

I will admit that other groups have endorsed "progressive" candidates, different Chambers of Commerce, the National Manufacturers Association and several other anti-labor groups, all of which if they had complete control would have us living in the way that we lived during the Hoover "protection" days.

I personally spent between 15 and 20 years on the U. S. Senate and on the U. S. House of Representatives and I only know one Republican Congressman from this district that labor got any support from—Edwin Johnson. And the Republican party practically disowned him for that.

But there is one thing no impartial person can deny and that is this: If it had not been in the past for a "police state," like the one that Hoover and Hubert Humphrey and also the Democratic party, the common people of America would not have the high standard of living that they possess today. The record proves it.

To make it short, the Republican party and its candidate, Nixon, in the past has been traduced and traduced and full of big city political machines renders its nominee less able to curb election abuses and organized crime and replace welfare rolls with payrolls.

Nixon offers a clear alternative. Not tied to the mistakes of the past, he is free to end the war in a way that discourages aggression and prevents future wars. He proposes to end the draft after peace is brought to Vietnam. He would improve our world position by dealing from strength rather than weakness. He would seek new treaties, but not blindly. He would seek new treaties, but not blindly. He would seek new treaties, but not blindly.

It is also trapped by its overlong reliance on the tax-spend-educate philosophy. The incumbent's preference for massive expenditures, ignoring the tax and inflation impact, compounds rather than solves many problems and makes insufficient use of private enterprise and help.

War, Discord Call for a Change; Nixon Offers Skilled, Responsible Leadership

Richard M. Nixon, the Republican nominee for president, offers the intellect, judgment and top-level government experience needed to lead America and its people out of the morass of war, discord and violence that have developed since the end of the Eisenhower-Nixon administration in 1961.

As former President Eisenhower said this week in urging election of Nixon Nov. 5 so that "the nation can start afresh," the former vice-president is best equipped to "unite the country and bring the social and economic problems of the country under control."

In this community, so hard hit by the depression of the 1930s, there is understandable sentiment for Vice-President Hubert H. Humphrey (D), standard-bearer of the party which has won the presidency in seven of the last nine elections.

But this is 1968, and it would be hard to imagine a national and world situation which more clearly cries out for a change in leadership.

A change also is offered by the third party candidate, former Alabama Governor George C. Wallace, who may garner many votes here on his call for preservation of union seniority and apprenticeship procedures, reduced authority of federal administrators, and repression of unruly dissenters.

But his apparent 15%-20% backing leaves no actual chance of victory and his lack of familiarity with the reins of national government would be too much of a risk in this dangerous era.

The present administration has become trapped by its inept handling of the Vietnam war, much like the U. S. became locked to a bloody stalemate in Korea until a new president was elected.

It is also trapped by its overlong reliance on the tax-spend-educate philosophy. The incumbent's preference for massive expenditures, ignoring the tax and inflation impact, compounds rather than solves many problems and makes insufficient use of private enterprise and help.

To make it short, the Republican party and its candidate, Nixon, in the past has been traduced and traduced and full of big city political machines renders its nominee less able to curb election abuses and organized crime and replace welfare rolls with payrolls.

Nixon offers a clear alternative. Not tied to the mistakes of the past, he is free to end the war in a way that discourages aggression and prevents future wars. He proposes to end the draft after peace is brought to Vietnam. He would improve our world position by dealing from strength rather than weakness. He would seek new treaties, but not blindly. He would seek new treaties, but not blindly.

G. Clark (D), 43, Chicago, has never caught fire and partly as a tribute to the three-term incumbent's patriotism and enlightened service.

Accused sometimes of being too flexible on issues, Dirksen consistently has been willing to take unpopular positions, placing principle above politics more often than most people realize. His abolitionist twin rival, legislative stand despite being outnumbered nearly 2-to-1 in the Senate has been brilliant on occasion.

He is one of the hardest working senators despite his age, and his sound thinking and perspective are needed in Washington during these troubled times, particularly in view of the fact that six incumbents have retired, four other senators were defeated in primaries and there may be additional changes through the Nov. 5 balloting.

### Election of Some Republicans to County Offices Would Aid Public, Both Parties

Because the two-party system encourages both parties to do their best and to nominate candidates of high caliber, the cause of good government would be served by the election of some Republicans to county offices.

The GOP has its best candidates and best chance in many years to gain several courthouse offices, and only victory can make it a real force in Madison county government. We encourage voters of all political leanings to consider supporting the effort.

Ability and experience remain important assets, of course. Republicans may seek to discount the latter point, since the heavy Democratic majorities of the past three decades made it next to impossible for any GOP aspirants to win and gain direct experience in office.

There is still an imbalance, but an unusually competent group of Republican county candidates has waged an active campaign. Among them are: County Clerk, William L. Beatty (D), 43, Granite City, is recommended over John B. Coppinger (R), 55, Alton, primarily because he is a local man and we know him. Both are successful and respected attorneys and well qualified to advance to the circuit court bench.

Circuit Judge — William L. Beatty (D), 43, Granite City, is recommended over John B. Coppinger (R), 55, Alton, primarily because he is a local man and we know him. Both are successful and respected attorneys and well qualified to advance to the circuit court bench.

Circuit Clerk — Willard V. Portell (D), 50, Granite City, has been in the position of county clerk for 18 years. He has been in the position of county clerk for 18 years. He has been in the position of county clerk for 18 years.

Recorder of Deeds — Charles "Bill" Burns (R), 47, Collinsville Route Three, Vandalia, has been in the position of recorder of deeds for 18 years. He has been in the position of recorder of deeds for 18 years. He has been in the position of recorder of deeds for 18 years.

James F. Chapman (D), 61, Collinsville, can point to experience as recorder and previously in the offices of county clerk, treasurer, and board of health. He has been in the position of recorder of deeds for 18 years. He has been in the position of recorder of deeds for 18 years. He has been in the position of recorder of deeds for 18 years.

STATE'S ATTORNEY — Leon G. Scroggins (D), 36, Granite City, shouldered the burdens of the office in a difficult time. Showing steady improvement as he gained experience, he would in our opinion be active and increasingly effective if elected to a full four year term.

R. W. Griffith Jr. (R), 45, Alton, a native Granite City man, has performed a public service by stimulating citizen interest in the workings of this key office. We agree with his call for a crackdown on crime and also agree that the state's attorney should take much of the responsibility for achieving a high level of law enforcement.

Both candidates have said they would respond to the growing demand for public safety. The incumbent, a former assistant U.S. attorney, has greater knowledge of the criminal law field and will give full time to the job.

CORONER — Robert G. Thomas (R), 55, Granite City, has an exceptionally long and effective record as a deputy coroner and funeral director. The incumbent, Leonard R. Davis (D), 58, Granite City, has been in the position of coroner for 18 years. He has been in the position of coroner for 18 years. He has been in the position of coroner for 18 years.

COUNTY AUDITOR — John L. Kraynak (D), 48, Granite City, seeks a fifth term and deserves it. He has frequently risked the displeasure of other officials in pointing out political economies, and often has prevailed. Past president of the Illinois Association of County Auditors, he has wide training in accounting, financial management and data processing.

### FEARS FAULTY COUNTING OF BALLOTS NEXT WEEK

To the Editor:

In reply to the letter, "Committee Replies to Election Charges" in The Forum Oct. 24, certain statements were made by my opponent pertaining to the recent Venice election.

These statements seek to discredit me and I wish to enlighten the voters and residents with the facts.

First, the church bells rang at 6 p.m. and the city hall clock read 6 p.m. However, the judges' watches differed and the polls remained open until 6:08 p.m., during which time persons were allowed to enter and vote.

Second, I carried proper challenge credentials but was refused an opportunity to challenge by one of the judges friendly to the machine. This judge has been given several jobs by the machine in the past.

Third, my opponent states he is not a true Republican and is only a small cog in the Democratic machine. How else could he be an employee of the Madison County Board of Health, work the Fairmount and Cahokia race tracks which everyone realizes are fronts for gambling, and be appointed to the County Housing Board under a 100% Democratic regime, and while he was Republican precinct committee man of Precinct No. 1?

With the Venice population 80% or better Democratic, I am sure they have an overabundance of local, machine-controlled Democrats to favor with sure positions and not a true-blue Republican.

Fourth, by his own admission, there are 50 Democrats to every Republican in Venice. Then, why did he only poll eight or 10 votes in previous elections and 19 in this election? I am positive the Republican population has not increased in Venice.

Fifth, you to the "miscount" of the ballots by the judges, there arises a serious doubt as to their sincerity and political attitude.

They awarded me eight votes to my opponent's 19. After I contested the count in court, they gave me 18 and my opponent 19. You be the judge.

Due to such circumstances in this county, many Venice, Madison and Pontoon Beach, Illinois voters, people and addresses of vacant lots and children's tree houses, marked ballots being torn up, and the judges' excessive marking of ballots by judges for the "illiterate," precinct committee men handling the ballots in the county, many ballot boxes passed out in front of poll entrances, candidate pictures pasted on buildings used as polls, representatives of one party barred, spending of legal ballots with pencil leads under fingers, ballot boxes not checked in advance and public employees permitted to use their time to round up votes.

Local residents can recall in past years such examples as voters casting ballots in precincts where they formerly lived, voters using names of deceased relatives, and the use of vacant lots and children's tree houses, marked ballots being torn up, and the judges' excessive marking of ballots by judges for the "illiterate," precinct committee men handling the ballots in the county, many ballot boxes passed out in front of poll entrances, candidate pictures pasted on buildings used as polls, representatives of one party barred, spending of legal ballots with pencil leads under fingers, ballot boxes not checked in advance and public employees permitted to use their time to round up votes.

With such actions and conditions within the Democratic machine governments of Madison and Venice, plus payroll padding, "buge" for the machine, run-down conditions and high taxation, I can only advise residents to think carefully and vote for people who will help clean up governmental and election practices.

It's time for a change Nov. 5. JOHN MANGIARACINO

### STUDENTS CAMPAIGNING FOR HUMPHREY, MUSKIE

To the Editor:

We, the undersigned students, would like to express our endorsement of Hubert H. Humphrey for president and Edmund S. Muskie for vice-president of all these United States.

We feel that, even though unable to vote in the election, by supporting our choice of candidates we can have a voice in running our government.

Too often the youth of today take no stand in an election, and we need to get involved now while we've got the time and energy to do it. We would be happy to hear from other students who are backing the Democratic candidates, Humphrey and Muskie, for our support.

There's still time to be heard. If we go out and campaign it won't be too long before the election.

### CONGRATULATES FOUNDER OF THE GOSPEL MISSION

To the Editor:

Congratulations to Mrs. Bethel J. Davis upon her 80th anniversary Nov. 3 at the Gospel Mission "behind the mill."

It is indeed an honor for Granite City to have such a wonderful, devoted person who has carried on such a wonderful job.

Many children arose from the Sunday school classes there at the mission to continue on into ministry and church work. Speaking for thousands of people, we are indebted to such a wonderful person. It has been a long milestone through the years of two world wars.

The mission has operated on the invitation for all denominations to be welcome to share the word of the Lord.

It has brought food to the hungry, and shelter to the homeless. And through its church and revival services it has given a new lease on life to many people.

All I can thank God that He has given us such a wonderful person here in our community to lead the way for us.

It is with great joy that we say "Congratulations, Mrs. Davis, we all love you and bestow great honor for such a wonderful job well done."

### NEW LAWS MAY HELP KEEP VOTING HONEST

To the Editor:

Will our votes be counted in November? Madison county has been called the second worst in Illinois and Illinois the third worst state, with many voters registered from similar addresses.

Some precincts have long voter registration lists, and some names stay on too long. These are precincts where it is doubtful that both parties have election judges looking after their interests.

Voter commitment and poll officials should be aware of new federal penalties. If these laws are adhered to, there is a chance for honest election results.

Local residents can recall in past years such examples as voters casting ballots in precincts where they formerly lived, voters using names of deceased relatives, and the use of vacant lots and children's tree houses, marked ballots being torn up, and the judges' excessive marking of ballots by judges for the "illiterate," precinct committee men handling the ballots in the county, many ballot boxes passed out in front of poll entrances, candidate pictures pasted on buildings used as polls, representatives of one party barred, spending of legal ballots with pencil leads under fingers, ballot boxes not checked in advance and public employees permitted to use their time to round up votes.

### WALLACE PROPOSING SENSIBLE POLICIES

To the Editor:

Regarding the "Fears Excessive Use of Power by Wallace" letter Oct. 17, may I bring to the writer's attention that Mr. Wallace was elected to head the state of Alabama by the majority of the people of that state.

The federal government should not have intervened (on racial segregation) unless called by the governor or until the people of that state impeached the governor. Then the next in line would have been the one to call the federal government or correct the situation to the public's interest.

As for Mr. Wallace being against unions, I can't say. But the federal administration now in office promoted the union they would receive 14B of the Taft-Hartley Act. Imagine how many labor union members that is. It has not been amended and won't be for quite some time.

Mr. Wallace, the way I see it, he is straightforward. What he says really does make sense. Anyway, the other candidates are wrong. He is right and yet saying the same thing he is.

They are telling us a vote for Wallace is a vote for the other party. Republican or Democrat. I don't know why they think this. A vote for Wallace is a vote for Wallace, not for Humphrey and not Nixon.

If it goes to the House of Representatives for it to make a choice for us, we will see who the House is representing. There should be very interesting to find out.

## National, State, Local Election Interest Expected to Spur Heavy Voting in County

National election interest stirred by issues of war, economy and law and order, along with the third-party drive of George Wallace, will add to similarly intense campaigns at the local level to help bring out an expected heavy vote in the Quad-Cities and Madison county in Tuesday's general election.

Numerous factors developing during the past few weeks support predictions of both Democratic and Republican leaders for an unusually heavy turnout in balloting for national, state, district and county candidates. Registration in the Quad-Cities and the county is at an all-time high, rising nearly 800 new voters since the primary election last June.

Absentee balloting, which ends Saturday, has attracted record interest. By the time absentee voting is completed this week, the county clerk's office at Edwardsville expects the largest number of absentee ballots ever cast in any prior election. This includes absentee ballots cast both by civilian voters and by those in United States service.

**GOP is Hopeful**  
Spirited contests for several county offices has aroused more than usual interest of Republicans who have been on the low end of the voting tally for so many years that candidates more often than not offer only token resistance.

Republican candidates, in fact, go into this year's election runoff with greater than hope of victory because of national and Illinois state campaigns in which GOP contenders are being given at least a 50-50 chance of winning. This hope has been bolstered by the growing following of Presidential Candidate Richard Nixon and Illinois gubernatorial Candidate Richard B. Ogilvie.

The independent candidacy of former Governor Wallace of Alabama is expected to have considerable impact on the voting in parts of Madison county, particularly in the industrial areas of Granite City, Madison, Venice, Alton and Wood River. High interest in Wallace's hard-hitting campaign is expected to attract voters that otherwise might not have gone to the polls in a direct two-party fight.

At the local level, campaign activities have been spearheaded by the contest between Democrat Leon Scroggins and Republican R. W. Griffith for election as state's attorney, and between Democrat Robert G. Thomas and Republican Robert G. Thomas for the office of Madison county coroner.

**Scroggins-Griffith Contest**  
Both Scroggins and Davis have been serving by appointment of the Madison county board of supervisors. Both are residents of Granite City. Griffith, Scroggins' opponent, is an Alton attorney and has conducted an intensive campaign throughout all parts of the county attacking Scroggins' record as state's attorney since he was appointed in January 1967.

Thomas is basing his campaign upon his qualifications for the coroner's post. Thomas is a partner in operation of Mercer Mortuary and has been associated with the firm 35 years. He previously served as deputy coroner for two terms. Davis was appointed coroner in June 1967 to succeed Dr. W. B. Billings of Alton, who resigned. Thomas also lives in Granite City.

Thomas enlisted the coroner's contest recently with charges that his opponent was responsible for campaign assessments ranging as high as \$1500 on some Madison county funeral directors who hold deputy coroner appointments under Davis.

Davis denied the charge and said the contributions were voluntary, that he never asked for them and that the contributing funeral directors fixed the amount of the assessment themselves. Thomas served as deputy coroner under Dr. Billings, but resigned the post immediately after Davis was appointed.

Both Thomas is a partner in operation of the Mercer Mortuary in Granite City, and Davis operates the Davis Funeral Home, also in Granite City.

A clash between incumbent Democratic members of the East Side Levee and Sanitary district over reported payroll padding for election purposes in the St. Clair county section of the levee district which is made up of parts of both Madison and St. Clair counties, moved the levee district campaign into the political spotlight little more than a week ago.

Levee district candidates for five trusteeship on the levee board run separately in their own counties this year—two in Madison county and three (a board majority) in St. Clair county. Under a new law, voters of neither county will vote on the candidates running in the other county.

**Incumbents Seek Re-Election**  
Incumbent Democratic levee board members William C. Miles, Ebersold of Venice and Joseph Grant of Granite City, are seeking re-election to the board in Madison county, while in St. Clair county, incumbent members Lawrence Tolar, board president, Morris Campbell and George Duff also are running for re-election on the Democratic ticket.

Differences between the Democratic factions developed when Ebersold declared he had received reports of payroll additions in campaign purposes by St. Clair county trustees and that if he found evidence of such padding, he and Grant would refuse to approve the payroll.

Republican candidates for the two Madison county levee board posts, Edward Werner and Andrew Jess Parks, charged at the same time that 40 percent of the payroll had been added to the levee district payroll for campaign purposes. Tolar and other levee district officials maintained that one had been put on a job that was not a regular union employee and had a regular job assignment.

**Running on Records**  
Campaigns for other county offices have followed the usual pattern, with Democrats running on their records, and their Republican opponents promising to do a better job if they are elected.

Candidates for election as clerk of the circuit court include incumbent Willard Portell, a resident of the Democratic ticket, and David E. John as candidate on the GOP ticket. Both are residents of Granite City.

Incumbent Reporter of Deeds James F. Chapman (D) of Collinsville is opposed by Charles "Bill" Burns, operator of a Granite City restaurant. Burns also is a resident of Collinsville.

John L. Kraynak, Granite City, incumbent county auditor, seeks re-election on the Democratic ticket. His opponent is Pete E. Fuchs of Alton.

**State's Attorney**  
Leon Scroggins, 36, incumbent state's attorney serving by appointment, is seeking election as state's attorney on the Democratic ticket.

Scroggins, who also served as an assistant state's attorney, and chief assistant state's attorney of Madison county, lives in Granite City. He is a former assistant U. S. district attorney.

Scroggins is a graduate of Vanderbilt University School of Law and holds a bachelor of arts degree from Southern Illinois University. He served four years with the U. S. Air Force as a member of a B-36 flight crew.

He is married to the former Beverly Fossick of Granite City. They have two children and live at 2904 Roney drive.

Scroggins was appointed state's attorney by unanimous vote of the Madison county board of supervisors in January 1967 succeeding Joseph

Bartylak, who resigned the post.

The state's attorney said he is seeking re-election on his record, noting that among other things he has reduced the criminal court load in Madison county from a "staggering figure" to a number that can be docketed for trial.

Roland Griffith Jr., a native Granite Cityan and now practicing attorney in Alton, is seeking election as state's attorney of Madison county on the Republican ticket.

Griffith is the son of the late Circuit Judge R. W. Griffith, who also once served as state's attorney and has been a lawyer for the past 15 years.

Griffith was graduated from schools in Granite City and from the University of Illinois and received his Juris Doctor degree from Northwestern University Law School.

He is a member of the Alton-Wood River Bar Association, of which he is past president; the Madison County Bar Association; the Illinois Bar Association and the American Trial Lawyers Bar Association.

He also belongs to the American Legion, the Kiwanis club and the First Presbyterian church of Alton. He has been active in civic affairs and is a veteran of world war II.

Griffith is married and has four children.

**Coroner**  
Leonard R. Davis, 57, Madison county coroner by appointment since June 1967, is seeking election as coroner on the Democratic ticket.

Davis, owner and operator of the Davis Funeral Home in Granite City, lives at 3728 Fair Oaks drive.

He served as mayor of Granite City for four consecutive terms prior to his appointment as coroner, occupying the office from 1945 until 1957.

He is a graduate of Shurtleff College at Alton and attended Landis College of Mortuary in Houston, Texas, and Washburn College of Mortuary in Chicago.

Davis taught in Granite City schools eight years. He is a past president of the Granite City Kiwanis Club and Southern Illinois Conference of Mayors, served as Granite City Mayor, served as Granite City March of Dimes chairman and was a member of the board of directors of the Illinois Municipal League for eight years.

He is a member of the Sigma Chi fraternity, Triple Lodge 835 A.F.A.M., 32nd degree Mason, Alton Shrine, Elks, Eagles, Moose, American Legion, a member of Alton Temple Shrine, treasurer of the Tri-City Shrine Club and a member of the Chanters of the uniformed units of Alton Temple. He also is a past master counselor of the Order of DeMolay with the Legion of Honor degree.

He is a past patron of the Order of Eastern Star, 65th, a member of the Optimist Club, White Shrine 78, a 23-year member of the Elks Lodge 1063, past scoutmaster of Troop 8, a member of the Optimist Club of which he is past lieutenant governor, past president, past secretary and treasurer; and

Thomas has served as deputy coroner of Madison county for two terms. He has been associated with the Mercer funeral home operation for 35 years.

Thomas also is a member of the Elks and Moose Lodges, Tri-Cities Chamber of Commerce and Chauffeurs & Teamsters Local 525.

In the business field, he is a member of the Illinois Funeral Directors Association, National Funeral Directors Association and Associated Funeral Directors.

Willard V. "Butch" Portell, 40, of 2631 Edwards street, Granite City, is seeking re-election on the Democratic ticket for his third consecutive four-year term as circuit clerk of Madison county.

Portell was elected in his first successful political bid in 1960, having campaigned previously as a candidate for the East Side Levee and Sanitary district and for the office of mayor of Granite City.

He is single. He was born in Elvins, Mo., one of 11 children. He is a member of the Catholic Church, the Knights of Columbus, the Moose and Eagle lodges and the American Legion. He is a Navy veteran.

David E. John, 3205 Bradley avenue, is seeking election as Madison county clerk of the circuit court on the Republican ticket.

John is deputy director of the Granite City office of Civil Defense and operates a real estate agency. He formerly was employed by the First National Bank in St. Louis for four years, was with the Illinois Power Co. in Granite City for 25 years, 20 of them in a supervisory capacity, and for ten years was secretary of the Community Coach Co. until its sale to Bi-State Transit System.

John is a Master Mason of Triple Lodge 835, a member of Scottish Rite Bodies, a member of Alton Temple Shrine, treasurer of the Tri-City Shrine Club and a member of the Chanters of the uniformed units of Alton Temple. ## Candidates From GC Dominating Ballot

Granite City has the greatest representation of candidates in the Nov. 3 general election at the county level than ever before in previous elections.

When Madison voters go to the polls to elect a circuit judge, five county officials and two levee board members, they will find a total of 16 candidates for these offices on the Democratic and Republican tickets. Ten of them are residents of Granite City.

Of the eight candidates for election at the county level on the Democratic ticket, six live in Granite City, while four of the eight candidates on the Republican ticket are Granite City residents.

Three of the candidates are from Alton, two are from Collinsville and one is from Venice.

a member of the First United Presbyterian Church of Granite City.

John now serves as chairman of the Board of Zoning Appeals by appointment of the mayor of Granite City.

**Recorder**  
James F. Chapman, Collinsville, is seeking his fourth consecutive four-year term as Madison county recorder of deeds on the Democratic ticket.

Before his election to county office, Chapman served as deputy county clerk, deputy county treasurer, secretary of the Board of Review and assessor of the county and as chief deputy sheriff.

He is a member of the Presbyterian church where he has served on all of its governing bodies and is a member of the choir. He is a member of Masonic Lodge 712 of Collinsville and the Elks Lodge 1063.

Chapman is married to the former Tessie Cherotti, and they have three children, a 11-year-old son and two daughters.

He said he is seeking re-election on his record while in office during the past 12 years, noting that an entirely new filing system has been installed in the recorder's office, a photostat machine installed that provides for filing a new program of microfilming inaugurated and other business procedures initiated.

Charles W. "Bill" Burns of Collinsville, operator of a Granite City cafeteria, is a Republican candidate for county recorder in the Nov. 3 general election.

Burns was born and reared in the Quad-City area and has been in the restaurant business in Granite City for 15 years.

He is a veteran of world war II, a member of the Veterans of Foreign Wars and the American Legion and a member of the Tri-Cities Chamber of Commerce.

Burns has been active in Republican party politics for the past several years and is a past president of the Sound Political Action Through Citizen Education (SPACE).

He said he is running for office in expectation of a victory that would help solidify the two-party system in Madison county.

**County Auditor**  
John Kraynak, 48, of 2652 Waterman avenue, is seeking re-election on the Democratic ticket for his fifth consecutive four-year term as auditor of Madison county.

Prior to his election as county auditor 16 years ago, Kraynak served 16 years as chief deputy clerk of Madison county.

He is a native of Bonne Terre, Mo., and is a member of the Catholic Church, the Knights of Columbus, Lions International, the American Legion and the Amvets.

He attended St. Louis University where he studied two years in the commerce and finance school, two years in the college of Arts and Sciences and a year in law school. He also attended special courses in data processing, business and

## Official Ballots Being Delivered To Polling Places

Final preparations for next Tuesday's general election in Madison county—in which extremely heavy balloting is anticipated—were under way today with distribution of official ballots, registration books and other election supplies to the county's 196 precincts.

There are 54 precincts in the Quad-Cities—32 in Granite City, 11 in Venice township, seven in Nameoki township and four in Chouteau township.

At the same time Miss Eulalia Hotz, Madison county clerk, announced plans for a series of schooling sessions for precinct election judges for a review of voting procedures and a general discussion of election day activities.

Two of the sessions are scheduled today and the second from 1:30 p.m. to 3 p.m., and the first from 10 a.m. to 12 p.m., at the Junior high school cafeteria on St. Louis road in Edwardsville from 4 p.m. to 5:30 p.m.

**Two Sessions Sunday**  
The second discussion period will be held Sunday, the first from 1:30 p.m. to 3 p.m. in the Alton senior high school cafeteria, and the second from 4 p.m. to 5:30 p.m. in the Granite City senior high school cafeteria.

Miss Hotz began the delivery of ballots and registration books in the eastern section of the county Monday. The supplies were delivered Tuesday to the western section of the county.

Supplies were to be delivered by Miss Hotz today to the remainder of Granite City township precincts, and deliveries to the Quad-City area and Venice township are scheduled tomorrow, Miss Hotz said.

He is a past president of the Illinois Association of County Auditors. During world war II he attained the rank of sergeant in the Air Force, serving in England and Italy.

Pete E. Fuchs, 41, of Alton, is making his second bid for election to county office as a candidate for county auditor on the Republican ticket. Fuchs was defeated in the 1966 election as a candidate for county treasurer.

He is president of the Illinois Credit & Adjustment Co. and was employed in industry prior to entering business for himself.

Fuchs attended Alton high school and Washington University. He is a member of the Rotary Club, the Episcopal Church in Alton, Franklin Lodge A.F.A.M., is past president of the Alton Junior Chamber of Commerce and is a Junior Chamber of Commerce international senator.

He also is a member of the East End Businessmen's Association, the Greater Alton Chamber of Commerce and the Wood River Township Chamber of Commerce.

He is married and has two children. Fuchs said he is seeking the post because of his experience in operating his collection agency for nine years. He said his accounting experience qualifies him for the post.

## Balloting For State Rep. Is Only a Matter of Form

Voters of the 55th Representative district which is made up of the Quad-Cities and three other Madison county townships will ballot next Tuesday on their choice of three state representatives, but the election actually is only a matter of form.

Since the district is to elect specifically two Democrats and one Republican representative, and there is only that number of candidates on the ballot, the only contest between the candidates is which of them will receive the largest number of votes.

District voters nominated two Democratic representatives that candidates and one GOP candidate in the June 11 primary under a provision of the Illinois constitution that the number of representatives to be elected. The same number of candidates nominated in the June primary election.

The number of candidates is determined on the basis of total votes cast in preceding elections.

The two Democratic candidates are incumbent State Rep. Leland J. Kennedy of Alton and Granite City Attorney Horace Calvo. The Republican candidate is incumbent State Rep. Ralph T. Smith of Alton, who currently is speaker of the Illinois House.

In balloting for state representatives, voters follow the cumulative system of voting by which they may mark their ballots for as many as two or all three of the candidates. By marking only one name, the voter gives that candidate three votes. If the voter marks two candidates, each of the two receives one and one-half votes, and if he marks three candidates, each receives one vote.

**State Representative**  
Ralph T. Smith of Alton, a native Granite Cityan, is seeking re-election to his eighth consecutive term as Republican state representative of the 55th district—a position to which he actually has been re-elected by virtue of his renomination in the June primary balloting.

Rep. Smith is the only candidate on the Republican ticket, and since only one Republican representative is to be elected, his renomination was tantamount to re-election.

Rep. Smith was born in Granite City and attended elementary and high schools here. He graduated from Illinois College with an A.B. degree in 1937 and from Washington University law school with an LL.B. degree in 1940.

He moved to Springfield in 1941 to become an assistant attorney for the C&M railroad and enlisted a year later in the U. S. Naval reserve as an ensign, serving as an instructor at Naval Midshipman school at Notre Dame University, later transferring to subsurface school in Guam in 1945, moving into Okinawa and later into Japan.

He was released to inactive duty in 1946 and returned to Alton where he renewed his law practice.

Rep. Smith was chosen speaker of the Illinois House by the House Republican majority in December 1966, the first representative from this area to hold the position in 39 years.

He is a member of the Presbyterian Church, the Masons, the Elks, Moose and Elks Lodges, the American Legion and Veterans of Foreign Wars, the Optimist Club and the Shrine.

He is married and has one son. He lives at No. 1 Signal drive, Alton.

Incumbent State Rep. Leland J. Kennedy of Alton is a candidate on the Democratic ticket for re-election to his eighth consecutive term in the Illinois House. He now is completing his 14th year as state representative.

As in the case of other state representative candidates, Rep. Kennedy's election was assured by virtue of his renomination in the June primary election this year. He has served as state representative in the 55th district, with two to be elected.

The 55th Representative District is made up of Granite City, Venice, Nameoki, Chouteau, Collinsville, Alton and Wood River townships.

Prior to his election to the Illinois legislature, Rep. Kennedy served six years as a member of the Alton city council. He was educated in Alton and took additional training in political science.

He is a 4th degree member of the Knights of Columbus, a veteran of world war II and a member of Veterans of Foreign Wars 2889.

Rep. Kennedy is a ranking Democratic member of the Illinois House "Labor" committee and is a member of the State Air Pollution study. He also serves on committees on industry and Labor Relations, Banks and Building and Loans and Public Aid.

He is married, has two children and lives at 928 Washington avenue in Alton.

Horace L. Calvo, Granite City attorney of 3254 Westchester drive, is a candidate on the Democratic ballot as state representative and will replace veteran Granite City Legislator "Curly" Harris in the Illinois General Assembly next January.

Calvo's nomination in the June primary election of two Democratic representatives to be elected this year was tantamount to election.

A total of 16 candidates are nominated as are to be elected.

Calvo has been an attorney in Granite City for the past 12 years and for the past seven years has served as a special assistant Illinois attorney general.

He has been active in civic affairs in the area and has taken part in the planning of the Granite City park district. He also is vice-president of the Human Relations commission and serves as attorney of District 34 of the United Steelworkers of America.

Calvo is a member of the Tri-City Bar Association, and has served as treasurer and president; is a member of the Madison County Bar Association, serving on its judiciary committee; and is a member of the American Bar Association and the American Bar Endowment.

He is a veteran of world war II, a member of the American Legion Post 113, Amvets Post 51, Elks Lodge 1063, Knights of Columbus, Tri-Cities Veterans of Foreign Wars, and has served in the offices of secretary, vice-president and president of the Granite City Democratic club.

## Ballots Fail to List LeMay, Cause Inquiries

Listing of the name of Marvin Griffin as vice-president of the Independent party in sample ballots published in Monday's issue of the Press-Record brought numerous inquiries.

To get his name on the Illinois ballot, Wallace was considered as a candidate.

## Professional Institute Planned at SIU-SW

Housing, urban renewal and code administrators from Illinois will have the opportunity to attend a professional institute in their fields being sponsored by Southern Illinois University-Southwestern campus.

Designed for attendance by 250 persons, a two-week session will begin Nov. 11 and another is scheduled for Dec. 2 through 13. Both groups will reconvene for a special one-week program Feb. 27.

Persons interested in enrolling may contact Norman C. Johnson of SIU-SW's Social Science Division, who serves as the institute's director. Fee for urban renewal and public housing people is \$250 and includes all expenses, lodging and meals. Federal funding from the Department of Housing and Urban Development and state matching funds are financing the program. Code people will be covered under the federal grant.

In the two-week session the class will have an intensive study of community composition. The February session will be more specific with individual groups meeting to discuss technical problems and federal programs.

## Trimpe to Speak at Fraternity Meeting

The Gateway East Field Chapter, Phi Delta Kappa fraternity, will hold a regular meeting at Lewis and Clark restaurant, East Alton, on Saturday, with County School Supt. Wilbur Trimpe as speaker.

Breakfast at 8 a.m. will open the meeting. Jack R. Gungers, program chairman, said Wilbur Trimpe will speak on "Post High School Education. Why it is critical for this Area." All members are urged to attend the breakfast meeting.

## Madison to Participate In Harlequin Workshop

Pupils at Harris and Blair schools in Madison witnessed performances by the Harlequin theatre, sponsored by the Metropolitan Education Center in the Arts, staged on Monday in the two schools.

In connection with the school district's new program in the humanities, John Falchiff, administrative assistant and curriculum director, announced that the district will participate in a Harlequin workshop on improvisational techniques.

The workshop will be held from 4 to 6 p.m. Thursdays beginning today for 12 weeks at the Harris school. It will be devoted to teaching the improvisational technique and exploring classroom uses of Viola Spolin's methods of improvisational theatre.

The implications of its use with pre-adolescents and adolescents reach far beyond theatre and dramatic production, Falchiff said.

The Harlequin performances are intended to introduce students to an innovative and exciting form of theater. They will consist of 45 minutes of improvisational theatre. The method allows flexibility of approach and adaptability to the particular audience.

The company consists of six professional actors and a director who, prior to assuming their positions with MESA, performed in an off-Broadway company, "The Second-Story Players," which won the 1967 OBIE award for off-Broadway excellence.

During the past summer the entire company performed and taught improvisational theatre for 200 St. Louis inner-city adolescents under a grant from the Human Development Corp.

Bill Powers is the director and Tony Hartin is stage manager. The cast is composed of Saax

Bradbury, Susan Gregory, Mary Lexa, Randall Bane, Mel Shipper and Alan Nichols.

The Spolin technique used is based on self-awareness and development of human potential. As Spolin put it:

"If we will remember that teaching, formulas and the concepts are summaries of another's findings, our students can then grow and unfold in a free atmosphere. 'Today more than ever before we are faced with the need for developing creating and original thought. Creativity is often thought to be merely a less formal use of presenting or using the same material in a more ingenious or inventive way. 'Creativity is an attitude, a way of looking at something, a way of questioning, perhaps a way of life.'"

## County Air Board Backs State Bond Issue

Endorsement of the state's proposed \$1 billion bond issue which will be either approved or rejected in Tuesday's general election has been announced by the Air and Water Pollution Control committee of the Madison county board of supervisors.

William Straube, Edwardsville assistant supervisor and chairman of the committee, said he believed the committee should take a stand on the issue, which is the largest single attempt at combining air and water pollution yet undertaken in Illinois.

The bond issue, if approved, would provide \$100 million in grants for water pollution control, \$50 million in loans to municipalities for air pollution abatement, and \$150 million in combination grants and loans to cities for water supply improvements.

It also would provide \$200 million in grants to either the state or local governments for recreational facilities on a 25%-75% basis.

The committee includes Walter Sparks, supervisor of Chouteau township; Robert Ford of Wood River township; Wilford Suesen of Fort Russell township and Henry Nolte of Moro township.

Singleton Exhibit Is Scheduled Sunday

A champagne reception and preview of sculptures and paintings by Gib Singleton will be displayed on Sunday at the Fine Arts Exhibitors Gallery, Creve Coeur Bank building, 1901 Olive blvd., Creve Coeur, Mo., from 2 to 4 p.m.

A general showing will continue from Nov. 4 through Nov. 20. Singleton, a local artist, has a gallery at 2890 Iowa street.

## Planning Starts for Class of '39 Reunion

Preliminary plans are being made for the 30-year reunion of the 1939 January and June graduating classes of Granite City high school, with the arrangement committee seeking current addresses of class members, Richard Yates, GCHS athletic director, announced today.

"The affair is tentatively set for late June, 1969, but we hope to write all June and January graduates concerning our plans well ahead of time," Yates said. He noted that several addresses of "lost" class members were obtained at the group's 25-year reunion held four years ago, but he added that the organizing committee intends to start from "scratch" and compile a complete, new address list.

Names and addresses of 1939 GCHS graduates, whether residing locally or out-of-state, may be registered with any of the following class members:

January graduates — LaVerne Strotheide, 797-0887; Norm and June Sudholt, 876-3701; and Lucille Georgeff, 876-1524.

June graduates — Richard R. Yates, 861-1783; Jon and Melba Tarpoft, 876-2824; and Bill and Helen Ann Harris, 877-7133.

Goodwill Industries To Add Deposit Boxes

Goodwill Industries will install two more Goodwill deposit boxes in Granite City, it was announced this week.

New locations will be at the Maryland Bi-Rite market, 2236 Ponton road, operated by Frank Champion, and the National Food store at 3100 Madison avenue, managed by Rich and Cates.

Present locations are at the A & P Market, 2010 Madison avenue; Tri-City Grocery, Belle more Village Shopping Center, and the Big "G" Market, 2329 Madison avenue.

All contributions are used to provide jobs, training and rehabilitation for more than 550 handicapped persons at Goodwill.

## Voting Procedure Outlined to Cut Delay at Polls

Procedure to be followed by Granite City and Madison County voters in Tuesday's general election was outlined in detail today by County Clerk Eulalia Hotz as a guide to help speed up the voting and eliminate delays due to registration technicalities. As hotz said, it is possible to be essential because of the large vote expected, Miss Hotz said.

She pointed out that the first point voters should bear in mind is to take with them to the polls the Voter's Certificate of Registration—a pink card—which must bear the expiration date of July 31, 1972.

This is necessary, she said, in the event the voter's permanent registration record has been filed erroneously in the wrong precinct binder, which sometimes can happen. Precinct judges are to be instructed in this procedure in special schools planned Saturday and Sunday.

Can Vote By Affidavit  
Persons who have moved from one address to another in the same precinct within two years prior to Nov. 5 may vote by completing an affidavit, furnished at the polls, and relinquishing their pink card which must be attached to the affidavit.

Persons moving from one precinct to another who failed to report their change of address before Oct. 7, have disenfranchised themselves and cannot vote Tuesday. They are urged to submit their address change, to the county clerk's office, Edwardsville, after Nov. 5, Miss Hotz said.

No provision is made in the election laws for persons who found it necessary to move from one precinct to another between Oct. 7 and Nov. 5.

Registered voters, who have had a change of name by marriage, divorce, or court order within the past two years, and who still reside in the same precinct, may vote Nov. 5 by completing the proper affidavit at the polls and surrendering their pink card.

S/Sgt. Coakley's Unit Earns Special Award

S/Sgt. Melvin L. Coakley, son of Mr. and Mrs. Robert L. Coakley, 2055 Delmar avenue, has been recognized for helping his former unit, the 3rd Air Division, earn the U. S. Air Force Outstanding Unit Award.

Sgt. Coakley, an administrative specialist, now assigned at Offutt AFB, Neb., will wear a distinctive service ribbon as a part of his permanent military decorations.

The division was cited for exceptionally meritorious service while engaged in military operations against the enemy in Southeast Asia from March 1966 to March 1968. The sergeant is a graduate of Jerseyville, Ill., high school. His wife, Carole, is a daughter of Mr. and Mrs. William Jones, 2712 Denver street.

S/Sgt. Melvin L. Coakley

May Submit Card  
Another provision of the Election Laws provides that if a duly qualified and registered voter's record is not found in the precinct binder nor on the printed voter's list he may present his pink card with a bona fide address for the precinct. The judges will have to accept his pink card and complete the affidavit required. All of these affidavits are brief and not time consuming. However, it is necessary to have a voter of the same precinct who knows the voter as a resident of the precinct to complete the supporting affidavit.

Often, Miss Hotz explained, people contend that they have a right to vote somewhere; but, the Legislature passed a law that a voter must reside in the provisions of the Registration Act. If they moved from one precinct to another and failed to report their change of address prior to Oct. 7, they cannot truthfully sign the Application for Ballot stating that they are a bona fide resident at the previous address, and they do not qualify in the new precinct because of failure to report the change of address.

Voters wishing to cast a ballot, will sign an Application for Ballot, listing their present address. The judge of election, presiding at the precinct binder, will compare the signature with the permanent card signature. If the signatures are proper, the judge will write the registered number shown on the permanent record and sign his name and her initials in the lower left hand corner of the application. The voter will be handed the 4 ballots. One application covers all 4 ballots.

Hand Ballot To Judge  
The Law requires the voter to hand the voted ballots to the judge presiding over the ballot box and watch the judge cast the ballots. Some few voters have contended they have the right to place their ballots in the ballot box. However, this is not true, the county clerk said.

A Democrat and a Republican judge will assist any voter who cannot read the English language, is disabled or blind, if such a voter requests assistance. However, the election laws permit a relative or friend of a blind or disabled voter to assist him in marking his ballots.

Miss Hotz stressed the fact that if a voter spoils his ballot while marking it, he should return the same to the judge of election in charge of ballots and receive another.

The proper marking on a ballot is an X or cross; that is, the two lines must cross inside the circle or the square. No one is permitted in the polls except the five judges, the voters as they come in to vote and leave, the challengers or watchers who present proper credentials signed by the chairman of the County Central committee of the political parties. After the polls close, neither the judges nor challengers may leave until the ballot counting is completed and the results phoned to the county clerk's office by one of the judges, as required in the Election Code.

Plan Vote Tabulation  
Miss Hotz said she will convert her first floor office into a news room on election night. Representatives of the county's eight leading newspapers, including the Press-Record, and

three radio stations will prepare an unofficial tabulation of votes cast. As soon as a judge phones the election results from a precinct, Miss Hotz's office staff makes a carbon copy of this report and sends it down to the newsroom. The original report will be posted in the lobby on the 2nd floor of the county house for the public to peruse.

Miss Hotz hesitated to estimate the votes to be cast, explaining that the re-districting of townships makes it impossible to hazard a close estimate. There are five combinations of districts in the county. Specimen ballots of the regular candidate ballot and the additional three ballots have been published in the county newspapers.

Miss Hotz stated that there are 120,455 persons registered in this county.

## Bi-State Agency Given \$96,666 Transit Grant

The Bi-State Development Agency is to receive a federal grant of \$96,666 to assist in continued planning of a regional mass transit system for the metropolitan area, U. S. Rep. Melvin Price announced today.

The grant, from the urban mass transit administration of the Department of Transportation, supplements a technical grant of \$170,000 awarded earlier and is also being coordinated with Department of Housing and Urban Development to the East-West Gateway Council.

Price described the new grant as a "key link in our continuing efforts to improve the mass transit in our metropolitan area." "Out of this should come an interlocking web of trains and buses which will improve contacts between the far reaches of this metropolitan area."

## Pvt. Partney Completes Administration Course
